From large area and small enrollment to small area and large enrollment is the story of change at TTHS. As suburban residents increased in number, non-high school districts established schools of their own. Loss to the Thornton district was more than made up by the population growth within District 205 itself.

Thornton ENROLLMENT shows a steady increase

From 1926-27 when there were only 947 students at THORNTON to 1963-64 when there were 3771, TTHS has shown a very interesting pattern of growth. Beginning in 1932, Thornton opened its doors to 176 tuition students from non-high school districts. These reached a peak of 906 in 1952-53. At that time Bremen was organized and soon came Homewood-Flossmoor. After that, with only resident students, enrollment reached an all-time high of 4262 in 1958-59, the year Thornridge opened. Down to 2906 the next fall, enrollment is now up to 3771.

Thornton Has Excellent Gymnasium Facilities

Physical education and athletic facilities at Thornton have come a long way since the attic of the old main building was the only play area. The present girls gym was used for both boys and girls until the Buda gym was acquired in 1927. Originally, what is now called the girls gym had a balcony for indoor track practice, removed about 1948. Girls pool area was constructed in 1925. The present gymnasium was built in 1949, but the Buda, though condemned for spectators, remained as a practice area. It is scheduled for demolition this summer. Work on the new field house and the new football field was begun this past winter.

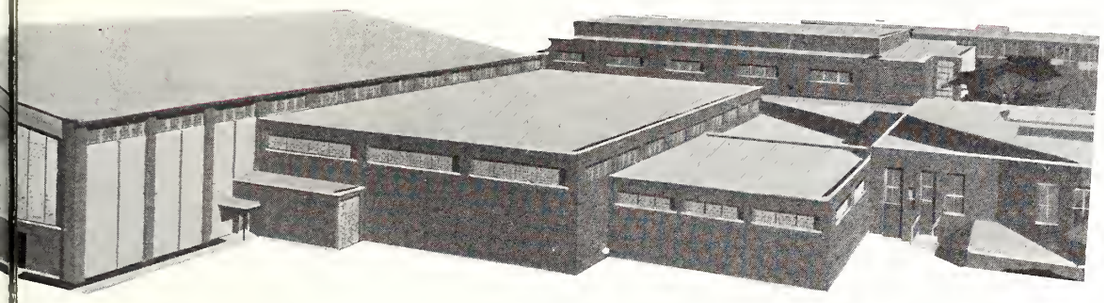
Campus EXPANSION shows three areas

Thornton has enlarged outwardly, inwardly, and up. From the old central main building, new wings were added on all sides until the original structure was only a small part of the whole. New buildings were added—the Industrial Education building and the main gym. Interior remodeling has been so extensive old grads wouldn't recognize the place. South end of the main building looked as if a bomb had hit when construction began on the auditorium. A third floor at the north end added classrooms.

West entrance, INDUSTRIAL EDUCATION building, is across the street from the cafeteria.



Architect's drawing shows FIELD HOUSE much as it will look when it is finished.

Third floor CLASSROOMS at the north end made better class sizes possible.

New BOOKSTORE increased services as construction bothered others

Bookstore personnel wondered this year how they ever got along in their cramped old quarters on the second floor. Since moving into the new area (what used to be the Little Theatre), they had room to display their goods and could increase the inventory of items for sale. Students were appreciative of the services. Homemaking classes endured noise, leaking pipes, and falling plaster while construction went on over their heads. They adjusted to discomforts and survived the ordeal. They were glad for normal times.

Homemaking class members use SWEATERS to determine their most becoming colors.

New BOOKSTORE was so roomy it was almost too good to be true.

There was shelf room for a complete stock of textbooks.

Small items could be displayed instead of being packed away.

More SPACE between tables made lunch hour so much more enjoyable.

Miss Waterman, cafeteria DIRECTOR, checks a pile of frozen turkeys.

CAFETERIA expanded seating, serving lines

More room, quicker serving lines, better food, pleasanter atmosphere characterized the TTHS cafeteria this year. Attractive colors, good-looking but practical walls and woodwork, sectional dividers, and conveyor belt for trays and dishes made lunch hour a time for socializing as well as for eating. Increased kitchen capacity and equipment made it possible for the staff to prepare more interesting meals for both student and faculty dining rooms. The whole set-up was something to make everyone proud.

More SERVING lines increased the capacity for staff to satisfy hungry appetites.

Mr. Bill Burleson, counselor, talks with Jim Durish, a hall guard at his post.

Students at Thornton received expert guidance and instruction from class counselors. With the help of the school psychologists, counselors were able to solve most problems that arose. Students discovered that help was available whenever they were faced with difficult situations.

The freshman counselor saw to it that students felt as if they were a part of Thornton. Freshmen were helped with orientation, schedules, and personal problems. The senior counselor made it possible for the graduating class to leave with the best preparation possible. No matter what the problem—personal or academic—counselors saw to it that there was a satisfactory solution if such were at all possible.

HOMEMAKING classes had a rough time early in the year while construction of third-floor classrooms was going on over their heads. Once that was over, things could settle back to near normal.

Courses in INDUSTRIAL EDUCATION provided opportunity for development of good work habits and an appreciation of requirements for a skilled trade. This year's new equipment included an engine lathe, a vertical camera for Graphic Arts, and a Do-all metal cutting bandsaw. Occupational training in technical fields was offered for both Thornton and Thornridge students. The department gave experience in a variety of industrial activities: exploratory or try-out activities in five fields of shop work, plus drafting and blue-print reading.

Boys in ELECTRIC Shop could work on two levels.

Clubs, contest, fair added to shop interest

WOODSHOP—Gary Rainey, Charles Talbert.

Both Thornton and Thornridge worked together to enable students to receive all the advantages of excellent equipment without the cost of unnecessary duplication. Mr. Fulk and Mr. Bendle were sponsors of a newly organized Industrial Education Club.

A number of special projects enabled students to get a more comprehensive program. This year there were Vocational Auto Shop teams for the Plymouth Trouble-Shooting Contest. An Industrial Education Project Fair was held on May 22. Both of these projects gave students an added chance to use their skill and machinery to advantage. These activities gave participants more information about tools, materials, and processes of industry. Night school, junior college courses were offered too.

Using the EXECUTIVE typewriters—Janie Witt, Mike Samuelson; Evelynn Ross, Pearline Allison at the MIMEOSCOPES.

Judy Moran uses the Friden CALCULATOR.

Thornton's Business Education department, with a staff of twenty teachers, gave its students a choice of many courses from typing and shorthand to the new one in salesmanship.

Class training in IBM Key-Punch and a banking project in cooperation with the First National Bank of Harvey were special projects offered this year.

New equipment included the Monroe Semi-automatic and Educator calculators, the Underwood-Clary calculator, and IBM Executive typewriters. College-bound students could take Notehand, a course designed to help them in taking lecture notes.

OFFICE PRACTICE machines were both the electrically and manually operated types.

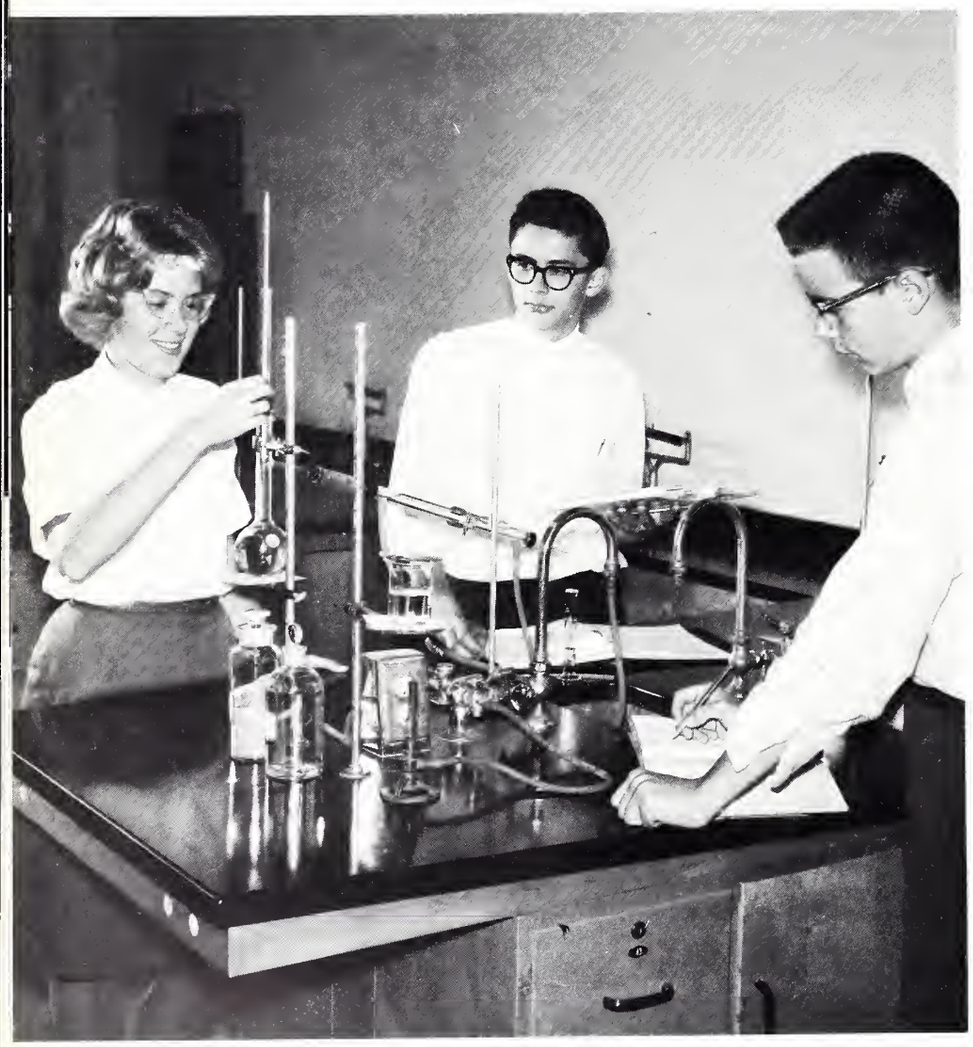
Science faculty made plans to up-date courses

Science courses are for all students. Freshmen are required to take general science, but those with exceptional knowledge in science may take biology. Physical science is another course offered to freshmen.

After completing one of these, students may then take biology, chemistry, physics, or basic senior science.

The department this year made plans for up-dating their present courses. The "Biological Science Curricular Study," the "Chemistry Study," and the "Physical Science Curricular Study" all help keep Thornton abreast of the times. There are seventeen teachers in the department, headed by Mr. Fred Ring.

Carol Groff, Ken Hartenian, Bill Hetler experiment with evaporation and distillation in CHEMISTRY lab.



In BIOLOGY class Beth Macaluso and Ray Seely discuss three bird types—owl, eagle, flicker.

PHYSICS—Ted Denning, Gerald Peterson, Michael Bisberg study composition of forces.

Science department has a supply of excellent equipment available for student use. There are overhead opaque projectors, instructional films, specimens, slides, felt-board materials, models, peg boards, and laboratory equipment. Students are allowed to perform experiments and to dissect specimens under the supervision of their teachers.

There are also special clubs offered to those students who are interested in going beyond the limitations of classroom work. At the Annual Science Fair, March 20, three hundred projects were displayed and judged.

BOOK NOOK—Vincent Radice, browsing; John Rice, selling the paperbacks.

Carol Mann finds time to do a little READING.

Paperbacks sold well in English

Wider reading of good books received stimulation from two sources—the Reading Clinic and the NHS Book Nook.

The Clinic, a division of the English department, offered remedial classes for freshmen and juniors. Speed and study skills classes were a special primarily for college-bound students. Volunteer classes were made up of students wanting to get help with reading problems.

The Book Nook, a project of National Honor Society, made it easy for students to buy a wide variety of paperbacks. Profits went to the NHS treasury to buy pins for new members announced on Honors Day.

Foreign Language students found using the laboratory quite helpful for audio-oral instruction. The lab was popular among both teachers and students because it provided an interesting diversion from the regular classroom routine as well as being educational. An occasional movie narrated in a foreign language gave pupils an insight into culture and customs of foreign peoples.

Because of the great number of students taking French, Spanish, and German, it was sometimes difficult to provide time in the lab for each class wanting to use it. Those pupils studying the first year of a particular language had priority.

If the lab was occupied when another class wished to use it, the teacher could bring a tape recorder into the classroom and students could practice repeating tapes almost as easily as if they were in the lab itself.

Mathematics department taught everything from basic to college mathematics. For the first time, freshmen who had taken a fully approved Algebra I course in their eighth grade were in the Geometry Honors class.

Organized last year, the Probability and Statistics course, which meets for half an hour, did several projects and surveys which they then analyzed. One of these was on the statistics dealing with the relationship of a student's Algebra I grade to his year in school.

One of the new items purchased this year was a typewriter with math symbols. It was available to all students typing papers with math symbols, as well as to faculty in the department or elsewhere. Miss Viola Seebach, as department chairman, promoted these activities.

English, Social Studies used students, VIP's

Two of the largest departments in Thornton are the English and Social Studies departments. The English department, under the direction of Miss Eleanor Nelson, has thirty-five teachers and the Social Studies department, headed by Mr. Clifton Satterthwaite, has twenty-five teachers. All students (except those taking a trade course) are required to take four years of English, Social Studies I, and American History.

Watching old classrooms at the south end of the building being demolished for remodeling and moving into new classrooms were some of the exciting things happening in the English department this year. Two events which occurred in the Social Studies department were a trip to Washington, D.C., and a Social Studies fair, second of its kind to be held at Thornton.

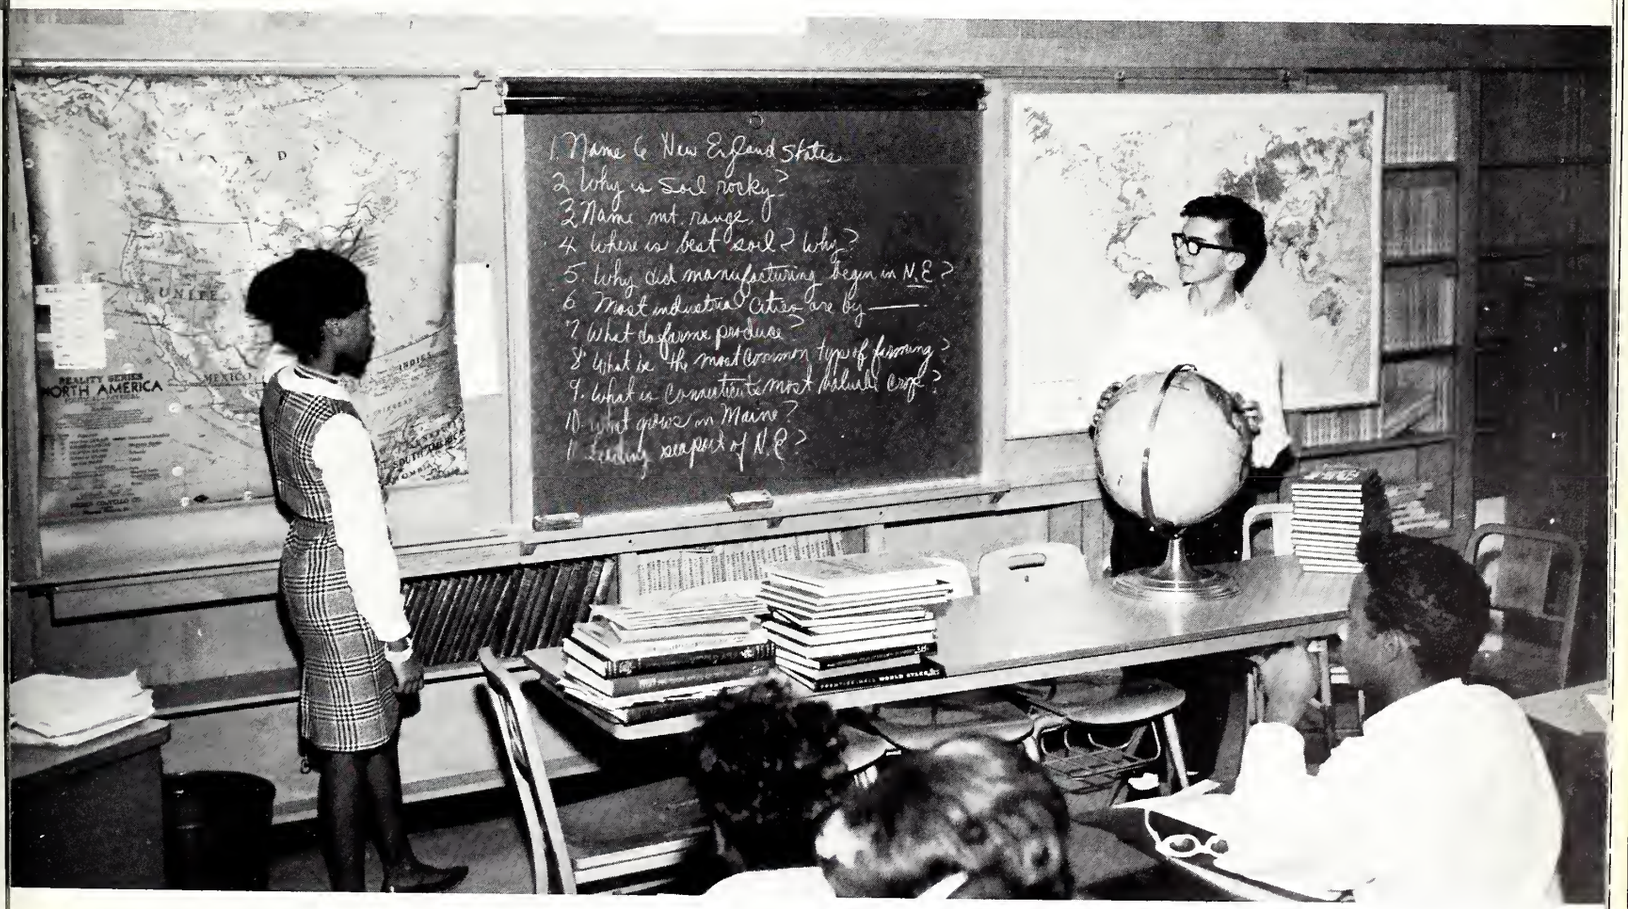
GEOGRAPHY class—Joyce Clemons at map; Jim Hall at the globe.



Busy Art students gained an appreciation and better understanding of what the term Art means. The Christmas decorations they made added a special touch to the season's activities.

Other projects in the department included exhibitions at the Arts Festival in McCormick Place, at the Illinois Art Education Convention in the Palmer House, and entries for the Scholastic Art Awards. These events enabled students not only to show their skill but to compare their talents with those of students from other schools.

New equipment included a Ball Mill for mixing glazes and a loom for experimental weaving. A wide variety of art courses was offered to interest many students in being creative.

JEWELRY—Kandi Alterie, Andy Babiarz putting enamel pieces in the kiln.

PE activities appealed to all types of girls

Girls Physical Education department provided an active program for all TTHS girls. Under the direction of Miss Marguerite Begnoche, the ten teachers in the department instructed freshman girls in a variety of indoor and outdoor sports.

As in years past, they gave to sophomore and junior girls the choice of swimming, dance, or sports. Senior girls enjoyed the privileges offered them in this department. They participated in such sports as tennis, badminton, archery, bowling, golf, ping-pong, and trampoline. An interesting piece of new equipment was the Spanish web, or vertical rope, for climbing and twirling.

It was fun to watch TRAMPOLINE as well as to take part in jumping. Everyone had a chance.

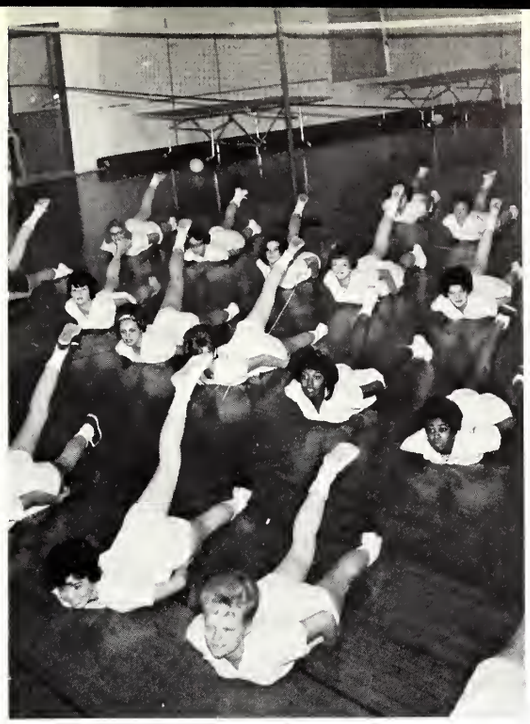
Exercises were performed in the PLAY PEN, across the street from the old Buda gym.

Girls sports were both indoors and out

Co-ordinated with the Physical Education department is the Girls Athletic Association. Assistance from the GAA helped the PE department to sponsor its annual posture contest. One girl was picked as queen from each of the four classes, with the best becoming the all-school posture queen.

This year the department sponsored its swim show in April, a show presented every two years. There were also interclass tournaments in sports: speedaway, volleyball, and basketball. Two dance groups are associated with the department—T-Ettes and Orchesis.



Physical FITNESS exercises could be rugged.

KICK Ball games were played on the south field.

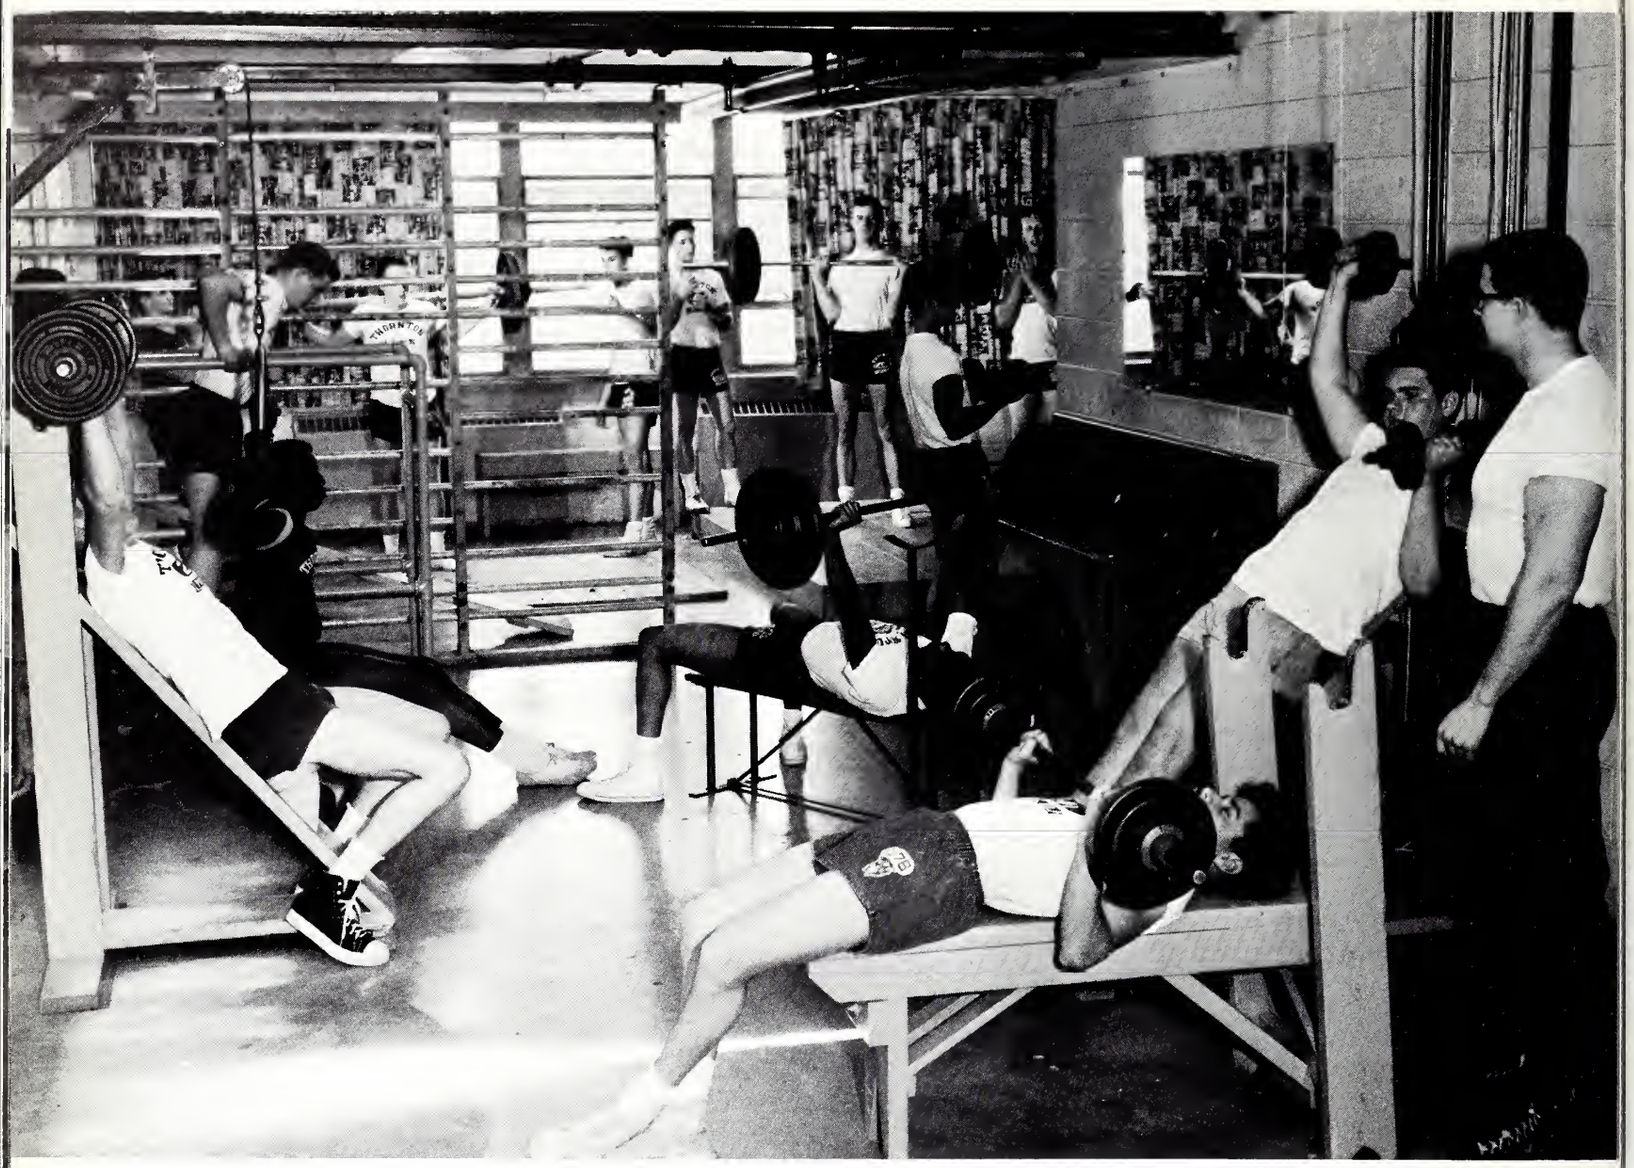
SWIMMING segment of boys PE was always popular.

Physical Education, which is required for four years, is a very important part of each boy's life at Thornton. Besides athletics, many other subjects are made available. Each freshman is required to take six weeks of health class, which includes studying from a textbook.

For sophomores, six weeks of Driver Education is provided. First Aid is a requirement for juniors. This unit includes study from a textbook, observation of movies, and class demonstrations. Weightlifting, a very popular subject, is scheduled for juniors and seniors.

Main special project for this year was the Royal Canadian Air Force Fitness Program.



Members of Mr. Clark's WEIGHTLIFTING class used all sorts of equipment.

To provide physical education for the handicapped, because of physical disabilities or injuries, restrictive gym was instituted. New climbing ropes were added this year to the list of equipment on hand.

For other boys, many sports are provided at Thornton. Some of these are swimming, wrestling, basketball, softball, gymnastics, and football (touch). Of course, calisthenics was a major part of each gym class. A few of the exercises, such as sit-ups, push-ups, and jumping-jacks were very familiar to all the boys at Thornton. Eleven faculty members, with Mr. Carl Mendenhall as the chairman, served in this department.

LINE-UP to check attendance was part of daily routine.

Freshman STAND-UP was first big party

Presentation of the Freshman Stand-Up introduced freshman girls, as well as other girls new to Thornton this year, to Thornton and to the Girls Club. So named for the time when Thornton was so crowded that there was not enough room to sit down, the Stand-Up began with the traditional hand-shaking line. As more and more guests arrived, the line lengthened and soon circled the gym floor.

This year's theme, "Carnival," became quite apparent through the zany stunts presented by freshman, sophomore, and junior girls. Senior girls modeled current fads and fashions of the high school girl in their traditional style show. Crowning of the queen climaxed the program. A parade of refreshments followed the coronation.

Juniors put on a hilarious CLOWN stunt.

Stand-Up QUEEN was Janet Pala, president of Thornton's Girls Club.

Name TAGS for everyone to wear were little clown faces.

Receiving line soon lengthened into the traditional HANDSHAKE line.

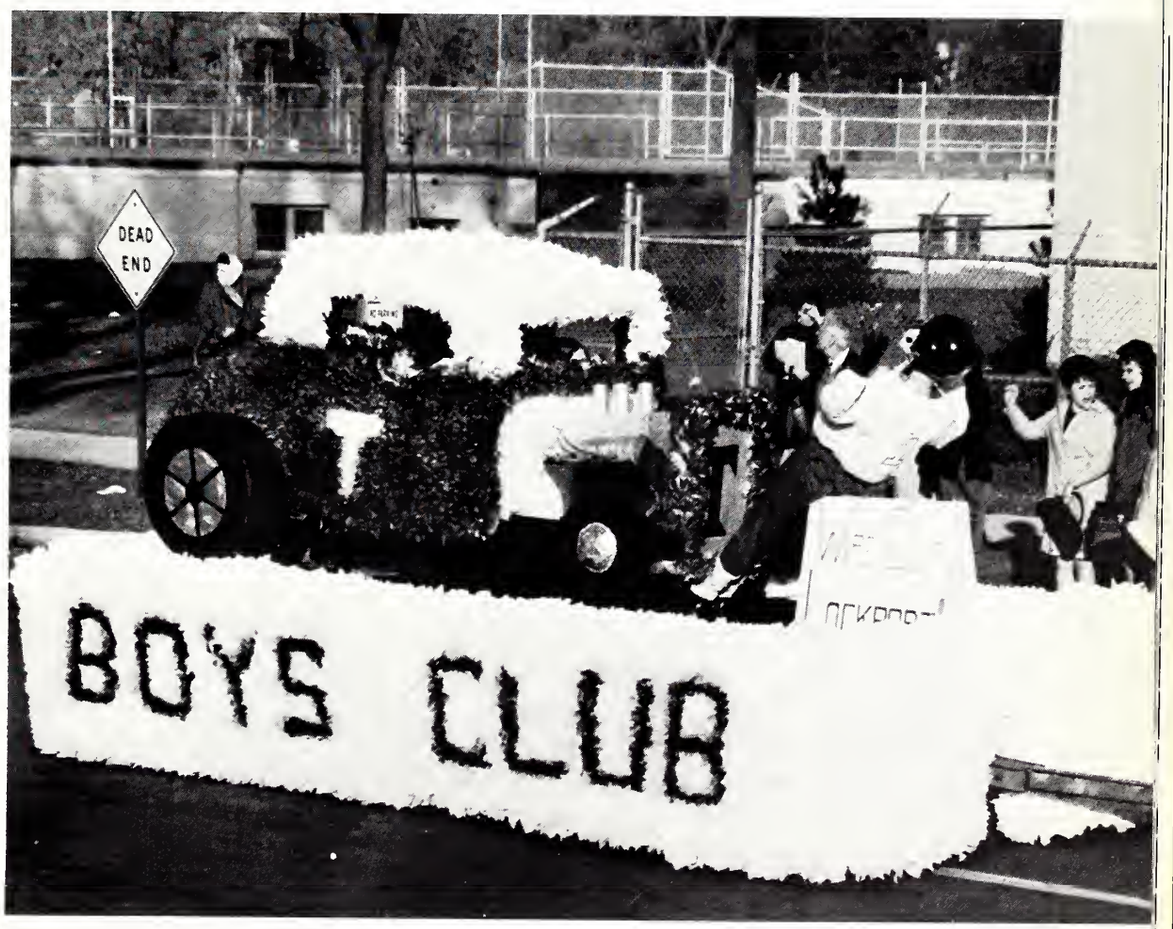
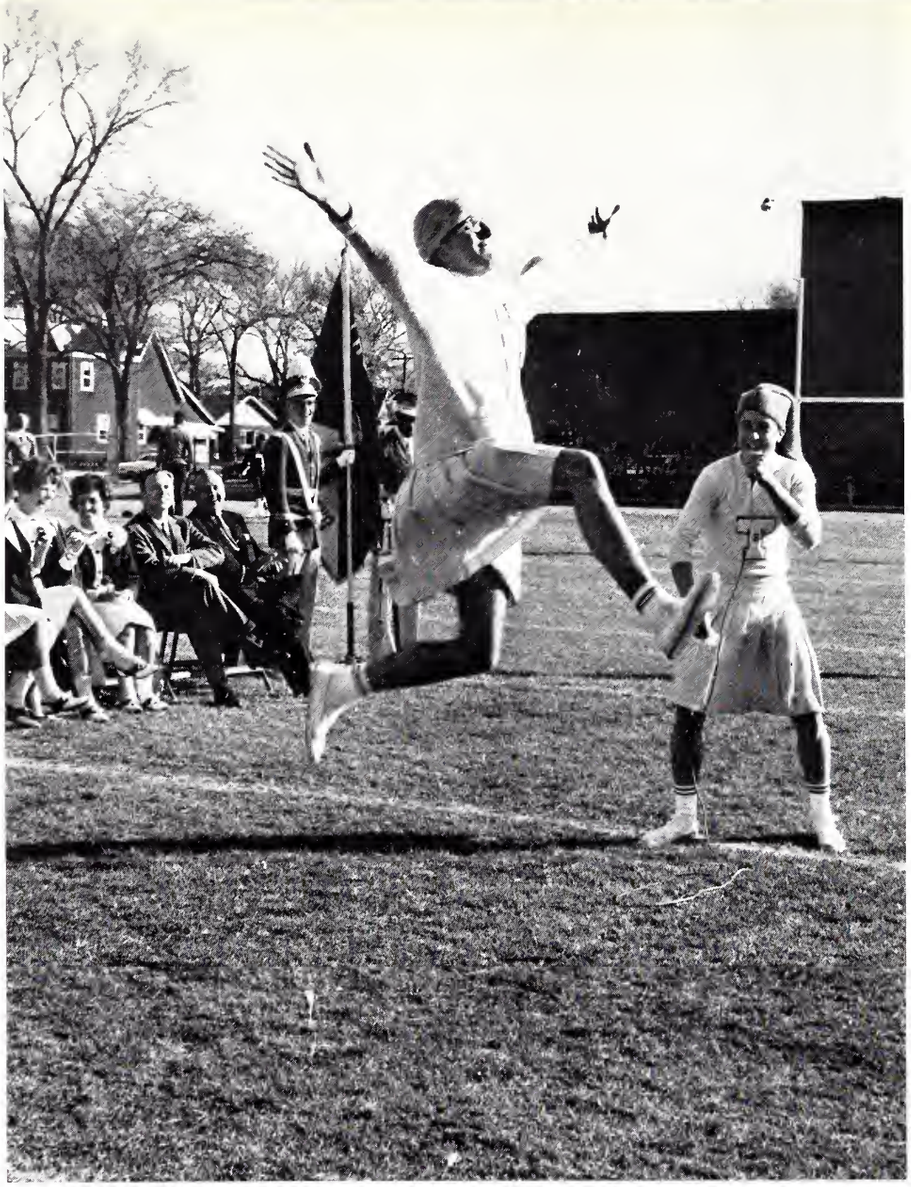
Homecoming weekend was a great success! Beginning on November 1, there were two days of fun-filled activities. Theme was "Swinging on a Star." An all-school pep rally on the football field, Friday afternoon, began the excitement. High point was announcement of the Homecoming Court.

From there, enthusiastic crowds moved on to see the parade of floats based on the theme, "Swinging on a Song." After the parade there was a street dance.

That night students piled into the bleachers to see the Thornton versus Lockport game. Purple X afterwards was crowded with alumni as well as Thorntonites. A sale of traditional buttons advertising Homecoming showed that a high level of spirit prevailed prior to the big fall event.

Boys Club float—FIRST PLACE winner in the parade.





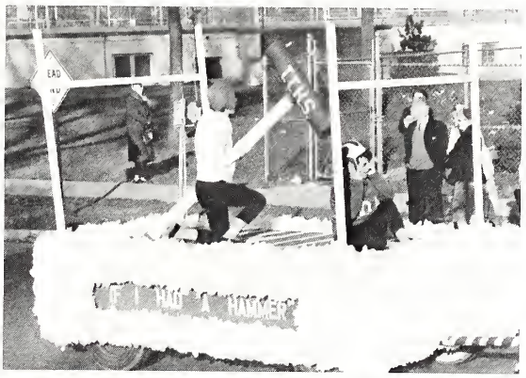
John Schmidtke, dressed as a CHEERLEADER, shows the girls how it ought to be done.

Homecoming Dance, scheduled for Saturday night, was the climax of a successful Homecoming weekend. A wishing fountain, in the center of the floor, and a huge white paper moon, hung from the ceiling, emphasized the theme, "Moonlight Becomes You." At intermission time, a plaque for the first place float in the parade was awarded to the Boys Club and other trophies went to other winners.

Most exciting moment of the evening came with the announcement of the Homecoming King and Queen. Bob Covert and Jeanne Overtoom were winners in the election. They received their crowns from last year's royalty, Fred Harris and Sue Bayse. Penny Patten performed the coronation dance. Entertainment program included songs and dances performed by Thornton's talented students. It was the first time in five years that the student council was financially successful on the event, a cause for much rejoicing. Approximately three hundred couples attended.

Parade theme was *Swinging on a Song*

YEARBOOK and THESPIANS both chose the song title, "If I Had a Hammer."



DE Club's SUGAR SHACK was one of the larger floats.

GAA's entry "Banana Boat Song," drew favorable comments.

Ailsa Fraser plays SABINA in "Skin of Our Teeth."

Thespians sponsored all dramatics

Starting off the season, the Thornton Speech and Theatre department and the Thespians sponsored the Pulitzer prize-winning comedy, *The Skin of Our Teeth* by Thornton Wilder. Presented on November 15 and 16, the play was a smash hit. The story tells of the George Antrobus family which met everything from the Ice Age and a great flood to modern war. Even with all these troubles, the Antrobus family comes through with the skin of their teeth, as man usually does.

In addition to *The Skin of Our Teeth,* the drama group prepared another play, *The Lark,* that was to have been presented at the annual drama contest. At the last minute, because of the national Day of Mourning, the contest was cancelled. When spring came along, Thespians put on a second play, entitled *Take Her, She's Mine.* Because of demolition of the auditorium for remodeling, the play was presented in the cafeteria Garden Room. These and a variety show, *Broadway's Best,* in late spring, kept the drama group very busy with staging problems, especially.

International Supper was big success

KIP-sponsored International Supper is an affair that has been gaining momentum for several years. At first it was just for KIP officers, board, and forum, but now it has branched out to include the general public and has enlisted the services of other organizations. Money raised is for American Field Service, to finance foreign students at Thornton.

Food for the February 16 supper was donated by various TTHS organizations. In keeping with the international idea, foods were displayed according to the country of their origin. They represented many foreign countries as well as many sections of our own nation.

Mary Jane Celebucki, Ken Hartenian, KIP, were in charge of the ORIENTAL display.

Juniors furnished DESSERTS—Ina Hitchcock, Marilyn Massoth, Kathy Jack, Marilyn Freese, serving.

SWIMMING was so popular it had a waiting list.

Somebody was always ready for his turn on the TRAMPOLINE.

Gym Jam gave everyone a chance for active fun

KIP Student Council fall Gym Jam was on Saturday, October 5. It was a money-raising affair that provided a good time for students. Almost any sports enthusiast was bound to enjoy himself. All of the gymnasium facilities were open to TTHS students.

Volleyball, trampoline, table tennis, swimming, basketball, dancing, and smash were some of the highlights of the evening. For non-active students, there were a number of less strenuous games. Chess, checkers, and shuffleboard were among the favorites in this category. Many students found great pleasure and humor in just watching their classmates perform.

For an evening of sheer fun, the KIP Gym Jam was the place to find it.

Honoring members with straight-A SCHOLARSHIP records is a Girls Club tradition. This year it was a breakfast.

Never at a standstill, Thornton's clubs and organizations were as active as ever. Girls Club held its annual candy sale from the day before Thanksgiving to December 19. They also had a breakfast in honor of girls who had earned scholarship pins for one or more semesters of straight A. Mr. Renfrow was the main speaker. Welfare was another of the duties they took on as a service to the community.

With the combined efforts of Girls Club, Purple X, and KIP, American Field Service (AFS) again sponsored a foreign student, Ailsa Fraser, from Featherstone in Yorkshire, England. KIP held their annual clothing drive, "Save the Children," for the southern mountain people in the Tennessee Valley.

Camera Club took pictures of couples at the Homecoming dance. All these projects meant another busy year for Thornton.

Money-making, Scholarship, AFS were club projects

Art and Music students promoted Christmas

Christmas around Thornton was, as usual, a merry one. Art department decorations throughout the whole building gave the feeling of Christmas wherever one went. Many clubs gave Christmas parties and the faculty had its annual "Coffee and—" at a breakfast party the day before vacation. Mailboxes were stuffed with cards wishing happiness to everyone.

Madrigal Singers set the holiday mood by caroling through the halls. At an assembly for students, all the singing groups presented a Christmas program which was similar to the concert given for the general public on a Sunday afternoon. At that affair a donation was collected and the proceeds went toward a scholarship fund sponsored by the Parent-Teacher Association. After everyone worked so hard to make this Christmas a merry one, the two-week vacation was more than welcome. January seemed far away.

With "Toujours l'Amour" as the theme of the Girls Club dance, the main gym was transformed into a world of glamour and romance on the evening of February 8. One found it easy to imagine that she was in Paris as she was guided by her escort past the Eifel Tower and into a charming little sidewalk cafe. Romance bloomed in the exciting pink and red decor of the room. The King Jarros Band set the pace for a gala evening.

Boys Club presented its first annual dance on Saturday evening, March 7. The theme was "Canadian Sunset," and the music was by Ray Pond and his band. Decorations at this semi-formal affair featured a tall mountain with colored water gushing from it. The number of couples attending was small compared to the number at the Girls Club affair, but everyone hoped the boys would have another dance next year. They liked the idea.

A sidewalk CAFE was part of the Parisian atmosphere.

Spring party honored retiring dean

The old saying that mothers are the tops in everyone's book was proved at the annual Mother-Daughter banquet, "Mum's the Word." Happy smiles were reflected on the faces of all the mothers and their proud daughters.

After dinner in the cafeteria, everyone went to the auditorium. There Miss Helene Wilson, retired dean of girls, was honored for all the work and time that she had put in to the Girls Club. A "This Is Your Life" skit was presented in her honor. Then the May Queen Court was announced, and the queen, Carole Parks, took the throne as May Queen of 1963.

Daughters dated Dads at traditional dinner

Girls of Thornton gave their fathers a big time at the annual Dad-Daughter dinner. The theme, "The King and I," clearly expressed the wonderful attention the proud fathers received.

Mr. Chuck Mather, assistant coach for the Chicago Bears, was guest speaker. Mr. Mather had an informative and informal speech, which gave the fathers a little insight on the plays of the Bears.

Major officers of the club presented a skit on events which occurred fifteen years ago in this community. Even the Boys Club volunteered themselves as waiters in order to give dads the best of service. A community sing ended the one evening Thornton girls had to take out their best boy friends, their dads.

Girls, Dads, and other guests enjoyed community SINGING after the dinner.

GAA dancers, Lauren Urbon, JoAnn Perry, did a LITHUANIAN number.

Susan Fisher presented her DOLL collection.

Social Studies Fair had variety of exhibits

Thornton's second Social Studies Fair was presented on November 22. It is believed to be the second of its kind in the United States. The first was at Thornton on February 8, 1963.

About two hundred fifty projects were on display. Trophies were awarded to winners in three categories—Models, Written Materials, and Demonstrations. Some of the demonstrations were live, like the Lithuanian dances. Some were animated, like the model railroad and Paul Revere's Ride. Collections included dolls, miniature pianos, and Greek artistry. Booklets written by Thornton students were on all sorts of subjects.

Headed by Mr. Caster and Mr. Miller, the fair was such a success it was featured in the Chicago Tribune.

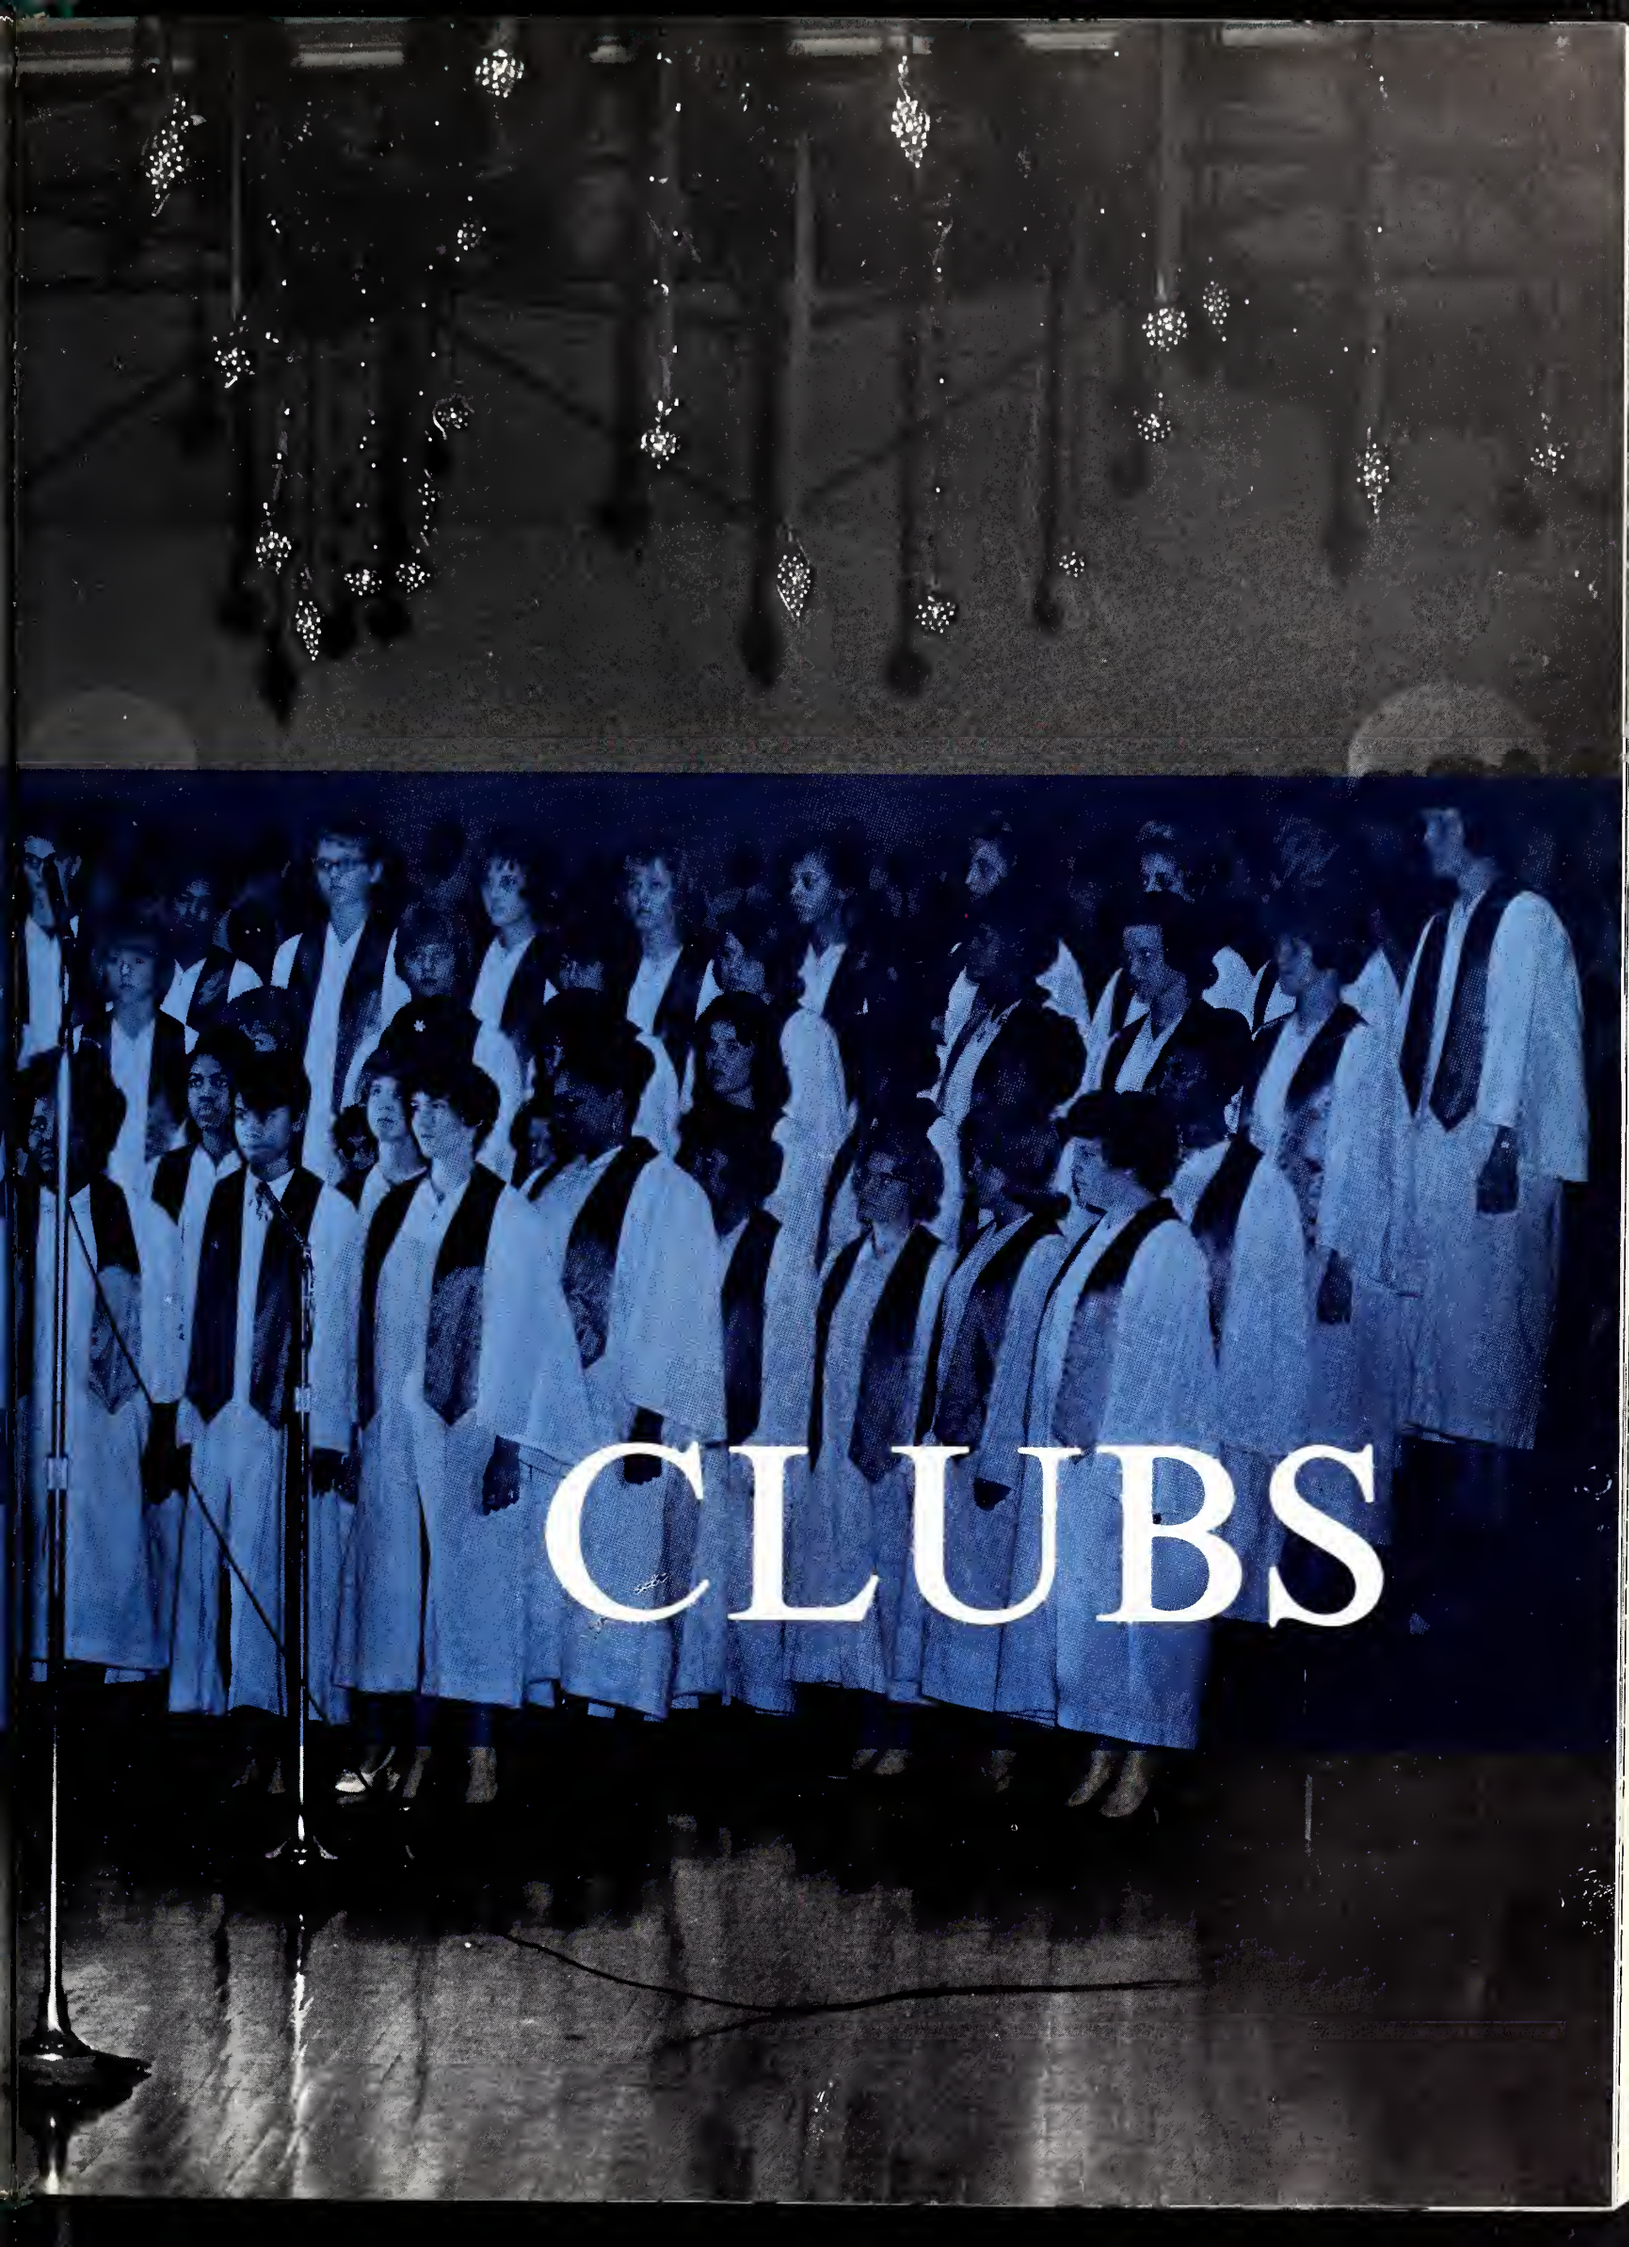
Paul Revere's RIDE was made and animated by Laurie Lewis, Judy Gardner, Karen Wilker, Pat Knowles, Michelle Sollitto.



CLUBS

PURPLE X COMMITTEE, headed by Mr. Henry R. Harms, provides the open house dances after all home football and basketball games. There were fourteen such affairs this year. Purple X also gives moral and financial support to American Field Service and is of service to the school in other ways as opportunities present themselves. PX helps to finance school assemblies, such as the one by Dr. Duvall in January.

New members are selected by a faculty committee from a list of names submitted by old members. Qualifications for membership are scholarship, integrity, dependability, and willingness to work. Business meetings are on the second Thursday of each month. A spring banquet closes the year. New members are initiated and new officers are installed.

KIP—Student Council

KIP, Thornton's student council, aims to promote and improve student government. Its name is derived from the school motto, "Knowledge Is Power."

Under the direction of the sponsor, Mrs. Marilyn Bauer, the organization had many activities and projects that interested TTHS and stimulated its educational objectives. The organization is made up of an Executive Board, which meets daily during homeroom and first period, and a Forum of elected representatives from each homeroom, which meets once a week. Through these two channels the students of TTHS play a direct role in student government.

KIP has many committees, chosen from Forum members, to supplement the work of the board and officers, or to gather information on which decisions are based. Among these committees are the ones on Activities and Constitution, plus the new Human Relations group, very active this year.

KIP service projects helped everyone

Beginning its busy schedule of activities, KIP sponsored Freshman Orientation Day, a day for upperclassmen to help freshmen find their way around.

Student calendars came next. They listed all major events, such as assemblies and all-school affairs, for the whole year. To raise money for the printing, KIP sponsored a gym jam and sold pennants. When the new cafeteria was ready, a special group was organized to improve student attitudes. It was called Triple X.

To the International Dinner, students brought food representing such widely differing places as Spain, Germany, the Orient, and the American West. There were some very unusual dishes.

Special services included a stamp machine and a Lost and Found department. A spring dance ended the list of social activities.

Forum was very active

Special emphasis was placed on human relations this year, during Human Relations Week. There was an all-school assembly and a guest speaker.

Pep assemblies included an exchange assembly with Thornridge and the outdoor Homecoming pep session.

One of the biggest events of the year was the exciting Homecoming weekend, November 1 and 2, with the theme—"Swinging on a Star." The parade Friday afternoon was marked by outstanding floats built by student organizations. Crowning of the Homecoming king and queen climaxed the Saturday night dance.

SCWEEK—Student Council Week—was a success as always. It had such unusual features as an all-school beach bum day and a black Monday.

Hall Guards kept order

BOYS CLUB played a major role in Thornton's activities because it offered boys the chance to participate in its many projects. Officers and board met once a week under the direction of Mr. Mel DeGraff, dean of boys. Homeroom representatives were called when they were needed.

Boys Club promoted a scholarship assembly, a boys-only gym jam, a mother-son banquet, a spring dance, an Honors Day assembly, and a record hop, which was co-sponsored by Thornridge and drew 1800 students.

Another Boys Club project was to provide hall guards for the corridors. Hall Guard Organization had the responsibility of keeping the halls quiet and safe during class periods. Boys Club Homecoming float, "Wipe-Out," after the title of a song, took first place for the best parade entry.

Girls Club tries to find some activity for every member

GIRLS CLUB, founded by Miss Frances Gordon in 1916, is one of the biggest and busiest organizations here at Thornton. Membership has reached a little over 1300. Every girl at TTHS is eligible for membership after paying yearly dues of twenty-five cents. Purpose of the club is to promote good will among Thornton girls, to be accomplished by providing numerous projects for members. Through these activities, the club tries to serve both school and the community Thornton represents.

Governing body of Girls Club consists of board members, representatives of each class, and six major officers. All officers, except freshmen, are elected for the school year in May of the previous year. Board has three freshmen, four sophomores, five juniors, and six seniors. Major officers include president, a senior; first vice-president, a junior, second vice-president, a senior; secretary, treasurer, and speaker of the council, all seniors. Requirements for office-holding include having earned the white and purple "T" pins and the Junior Service Award bar.

Since responsibility of running Girls Club rests heavily on the shoulders of these girls, they are really helped by the advice of the dean of girls, Mrs. Dixie Turngren. Purpose of the Board is to discuss problems and make policy decisions; job of the officers is to see that decisions are carried out.

Besides the many service projects that Girls Club handled this year, it also sponsored social affairs. Parties included Freshman Stand-Up, Mother-Daughter Banquet, Dad-Daughter Banquet, and the biggest affair of them all, the Girls Club Dance. The club also undertook money-making projects such as selling refreshments at football games and sponsoring a candy sale. It handled teas and welfare activities, and entered a float in the annual Homecoming parade.

SPORTS STAFF. Bob McGehee, Bill Himel.

YEARBOOK staff is under the direction of Miss Dorothy Washburn. Each of the thirteen staff members spends homeroom and one other period each day in the office. Requirements for working on the staff are that a student must be a junior or a senior, must have a B-average in English, and must be recommended by a faculty member.

The staff this year consisted of two juniors and eleven seniors—five of the seniors returning from last year. Staff members were kept very busy meeting monthly deadlines. They scheduled pictures and processed the completed ones, wrote copy, corrected galley proof from the printer, and compiled the index. To finance the yearbook, beyond what subscription sales brought in, the staff sold individual pictures to underclassmen. Old members felt rewarded when the 1963 THORNTONITE won the All-American rating; all felt the '64 challenge.

THORNTONITE newspaper staff, instructed by Mr. Edward D. Olson, triumphantly met thirty deadlines. On Wednesday mornings the Thorntonite office was flooded with newspaper distributors, eager to return to their homerooms with stacks of papers. Circulation editors were busy getting bundles ready for the post office—to subscribers, to advertisers, and to other schools on the exchange list.

Many hours were devoted toward the regular four-page and the special six-page editions. The three-color, six-page Christmas edition was extra special.

Language Councils supplemented class work

All of Thornton's FOREIGN LANGUAGE clubs kept busy throughout the year. Whether it was French, Spanish, German, or the classic language, Latin, each club had a variety of entertaining and educational diversions. Naturally, each activity was geared toward making the students more familiar with the culture of the country and everyday conversation of the language.

FRENCH students enjoyed a puppet show at Christmas time. Third and fourth year French students made a trip downtown to Carson, Pirie, Scott and Company where they had a good time selecting and eating a variety of French foods.

LATIN students wrote reports on Greek and Roman mythology. Games based on Latin vocabulary and grammar as well as skits dealing with Roman life added to the study of this basic language. At Christmas time, students sang songs in Latin.

GERMAN students included a variety of additional, interesting programs to their daily schedule. Studying German culture and promoting the use of German in conversation are objectives of the German Club. At Christmas time, pupils learned German carols in the classroom. Because of severe weather they did not go caroling on the streets as they have done in years past. They decked their room with many signs of the season. The classroom sparkled with the Christmas spirit when students put up a tree. From their correspondence with students living in Germany, they decorated their bulletin boards with Christmas cards. Some of the outstanding German students participated in the competitive examination in Chicago.

SPANISH students were engrossed in projects too. At Christmas, they also had a tree. A third year class presented skits for a second year group. Foreign Language Honors Assembly was not held because of rebuilding the auditorium; however, prizes and certificates were awarded to deserving students.

Debaters, Hoofers, Lost and Found served TTHS

To be a member of DEBATE CLUB, sponsored by Mr. R. W. Hunt, a student had to have a B average besides an interest in debating. The club made trips to Northwestern University, to Lyons Township and Blue Island high schools, and competed in the district contest.

HARVEY HOOFERS, dance group sponsored by Mr. Lahti, performed at Homecoming, for the variety show, and pep assemblies.

LOST AND FOUND, sponsored by KIP, was the place to look for all sorts of lost articles. The office was open before and after school and during lunch.

Thespians aim to promote educational theatre activity of the highest quality in technique and in production. Requirements for membership are ten points in theatre work (or 100 hours). There are about thirty members. In November, Thespians presented *The Skin of Our Teeth*. In March, they gave *Take Her, She's Mine* in rectangular form in the Garden Room of the cafeteria. In April, they sponsored the all-school variety show.

Thespians have two banquets a year. Awards are given for Best Actor, Actress; Best Supporting Actor, Actress; and Best Thespian. Entertainment always includes a free stage show or motion picture special in Chicago. Sponsor of Thespians is Mr. Glenn Schuermann, Speech chairman.

DISTRIBUTIVE EDUCATION Club provided social life for students who held part-time sales jobs in local businesses. Members wore blue blazers with pocket emblems signifying D.E. Clubs of America.

DIVERSIFIED OCCUPATIONS class, a feature of Industrial Education, had many activities like those of a club. Members worked part-time in nearby industries. They often took field trips in the area.

FUTURE TEACHERS of America has grown to a membership of seventy-six. Field trips to universities in the Chicago area were featured this year. The club co-sponsored a hootenanny with JRC, had a prize-winning car at Homecoming, and took part in the KIP International Supper.

PERIGON CLUB is for the academic math student. Topic for the year was "Logic." JC students and a guest lecturer provided several of the programs.

RADIO CLUB is for boys interested in electronics. Project for the year was to complete code instruction for a novice license.

Variety of interest among Thornton students meant variety of clubs to satisfy them

BIOLOGY Club sold candy and popcorn at Purple X's as their money-making project. With Mr. Laird as sponsor, members contributed to the Science Fair.

Thornton's CHEMISTRY Club toured the Sinclair Research Laboratories under the supervision of their new sponsor, Mr. Roy Inlow. The club encouraged students to experiment beyond the limits of classroom chemistry. They, too, took part in the Science Fair.

Under the supervision of Mr. Caster and Mr. Miller, SOCIAL STUDIES Club was able to produce its second Social Studies Fair. Members also participated in a model United Nations, had a spring banquet, and sponsored the annual trip to Washington, D.C.

Library aides were the members of LIBERETS. Certificates and pins were rewards for service and an interest in librarianship. Miss Micek, Miss Oliva, Mrs. Shephard, and Miss Oetjen were sponsors. The group was affiliated with the South Suburban Library Aides Association.

PROJECTIONISTS provided audio-visual instructional materials to teachers. Students were chosen by faculty recommendation to the sponsor, Mr. Blake Reed, Audio-Visual chairman.

CAMERA CLUB members, with Mr. Sarantakos as sponsor, took pictures at all major events. They combined their interest and talent in photography to make Prom pictures their specialty.

COIN CLUB members, sponsored by Miss Powell, worked together to provide an attractive display of coins and currency for the Social Studies Fair.

JUNIOR RED CROSS, under Mr. Nielsen, promoted student interest in helping the needy. They made Christmas stockings and gave a Hootenanny.

KEY CLUB, sponsored by Mr. Landherr, purchased paper back books for the library and helped in the Kiwanis peanut sale. They gave a Bermuda hop.

PEP CLUB promoted school spirit, sponsored by Miss Logan. They cheered at athletic events, sold bus tickets to away games, and bought a Wildcat head for the school mascot.

YOUTH FOR CHRIST provided opportunity for interested students to meet. With Mrs. Baltrusch sponsoring, the club had speakers, rallies, and a car wash, as well as regular meetings.

Student assistants found many jobs waiting for them at Thornton

Those busy girls seen in the main office this past year were the COUNSELORS' ASSISTANTS. Their duties were filing, typing, recording program changes, and helping the counselors in every possible way.

For one period each day, RENTAL LIBRARY Assistants checked English rental books in and out. They also had the job of shelving and processing.

In their new and larger quarters, BOOKSTORE Assistants were always busy. They sold books, rental stubs, and other school supplies to Thornton students and kept incoming shipments shelved and at hand. They worked in the Bookstore before school, during homeroom, and in free periods.

Besides being of service to the school, SOCIAL STUDIES Assistants gained office experience. They worked in the S.S. office during their free periods, typing for the teachers in the department.

Busy also were the NURSES' ASSISTANTS, who spent one hour a day acting as receptionists, doing clerical work, and performing odd jobs.

Sports seasons involved most Thorntonites

Sports played a major role in the school life at Thornton. Many students actively participated while many others watched the games and cheered for the players. Pep assemblies helped to establish team spirit because they were well planned and enthusiastically received.

Pep Club controlled an organized cheering section. Cheerleaders kept the school spirit high and gave students a chance to participate. Band also had a great part in instituting spirit and providing enjoyment at assemblies and games. Hungry fans were kept content by the refreshment crews. Lettermen's Club sold the refreshments at home basketball games, and Girls Club handled them at home football games.

Color Guard and Game Ushers had major parts too.

Athletic DIRECTOR Tiny Huddlestun tells Thorntonites about sports prospects.

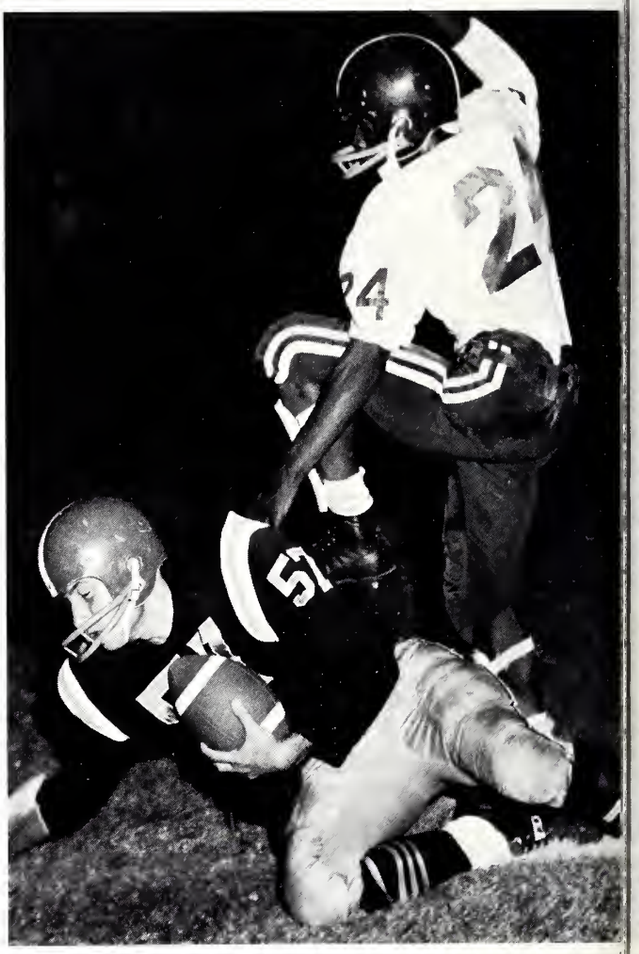
Because of enthusiastic participation and cooperation of TTHS students, Thornton had a great sports season for '63-'64. In the fall, football dominated but swimming and wrestling began and so did gymnastics. These three sports attracted more and more fans as students became interested in their teams. Intramurals were very popular for both active and less active sports. Pep assemblies as well as games gave all Thorntonites a chance to take part.

Tough competition in the basketball tournament whipped up a great surge of school spirit. After taking second place in the South Suburban League, Wildcats went on to win the regional tourney held at Thornton, Many people thought that TTHS would go down state, but the Wildcats lost the sectional championship to Bradley, 54—50.

Thorntonites showed up well in both gymnastics and wrestling on the state level. Spring sports—baseball, tennis, golf—and cross country showed that our Thornton sports ability was diversified and good.

BILL HUDSON tackles Kankakee opponent in Frosh-Soph game.

Football season was not a very bright one for the Thornton Wildcats



PAUL OWENS overcomes his Kankakee opponent.

Although the VARSITY football team started the season well, their vigor and scoring ability soon dwindled. After winning the first two games against Waukegan and Kankakee, the Wildcats went on to lose the remaining six games. Four times the Wildcats were defeated without scoring: by Joliet, Eisenhower, Lockport, and Bloom.

One of these scoreless games happened to be the homecoming game against Lockport. A bad case of fumbleitis and cold weather helped to make this important game a defeat. Just as last year, Thornton was beaten by her sister school, Thornridge. Also, Wildcats lost the last game to their long-time rival, Bloom. Finishing with a 1—6—0 record in conference and a 2—6—0 overall record, the Wildcats ended in seventh place in the South Suburban League. The win-loss record in conference just happened to be the same as last year's. Thornton's opponents scored 140 points, while Thornton scored only 60 points, an average of approximately one touchdown per game.

The main thing that hurt the Wildcats' chances was the many fumbles. Also, because of a shoulder injury, Paul Owens, who played a major role in the only two victories, was absent for part of the season. This injury hurt the Wildcats' offense.

VERNIS MIMS is tripped up after a long run.

BOB COVERT and OWENS make a brave attempt to intercept a pass.

Main offensive players as far as yardage on the ground is concerned were Vernis Mims, Paul Owens, Jack Sutton, and Bob Blackmon. Most of the yardage by passing was accomplished by Jim Capolillo and Bob Covert. As far as punting is concerned, LeRoy Brody and Bruce Derr took care of that part of the games. Captain for this year was Jim Grant.

Coaches T. B. (Tiny) Huddlestun, Bob Blaha, Bill Purden, and Frank Bauman worked very hard to keep the team in good shape. Because of their hard work and the players' cooperation, thirty-six men were awarded varsity letters. Managers for the Wildcats were Angie Jurek and Peter Geraci.

Many of the boys who played first string this season will be graduated this year, but, with the returning varsity players and upcoming sophomores, Thornton's Wildcats should have a very good season in '64, a change from these past two.

Thornton's freshman-sophomore WILDKITS had an off-and-on season this year. The team finished with a 4—3 conference record and a 4—4 overall record. In eight games the Wildkits scored 151 points, while their opponents scored only 101 points. On three occasions the Kits scored 30 or more points in one game, but only once were 30 or more points scored against the Kits.

Although the team finished the season with only a .500 record, they showed great fighting spirit. On several occasions the Wildkits played like conference champions. Unfortunately, on other occasions their play left much to be desired. Fumbles and defensive lapses plagued the team all season.

This year's frosh-soph, which had a total of 45 letter winners, will furnish next year's varsity with many outstanding players, such as Lamarr Thomas, Bill Hudson, Larry Bradford, and Harry Mech. With so many fine players on this year's freshman-sophomore team, next year's varsity should have a fine, well-skilled squad which could give Thornton the South Suburban League title.

Wildkits were trained by Joe Keane and Willie Brown, coaches, who were proud of their team.

Thornton's FRESHMAN football team had an average season this year. After a 6—1 overall record last year to take the SSL championship, the frosh had only a 3—3—1 record this season. Thornton scored 78 points and their opponents scored 42.

Leading scorer was Tom Mitchell, who made six touchdowns, good for 36 points. Other outstanding players were Joe Medrano, Don Brown, Robert Rains, Charles Milligan, and Dillard Roberts.

Honorary co-captains were lineman Dan Faloona and back Charles Milligan. Robert Rains was defensive specialist. Roland Cisowski and Phillip Jachim were the managers.

Because of the hard work of coaches Ted Czech, Richard Bruno, and Ken Gest, the team had a fairly successful season. Fifty-five players were awarded letters. With the continuation of new talent, next year should prove to be a good season.

Thornton's forgotten football team, the JUNIOR VARSITY, completed the season with a 1—1 record. Players from the jayvees rotated with the varsity to gain skill and mobility.

Jayvees were coached by Bob Blaha and Frank Bauman, baseball and track specialists.

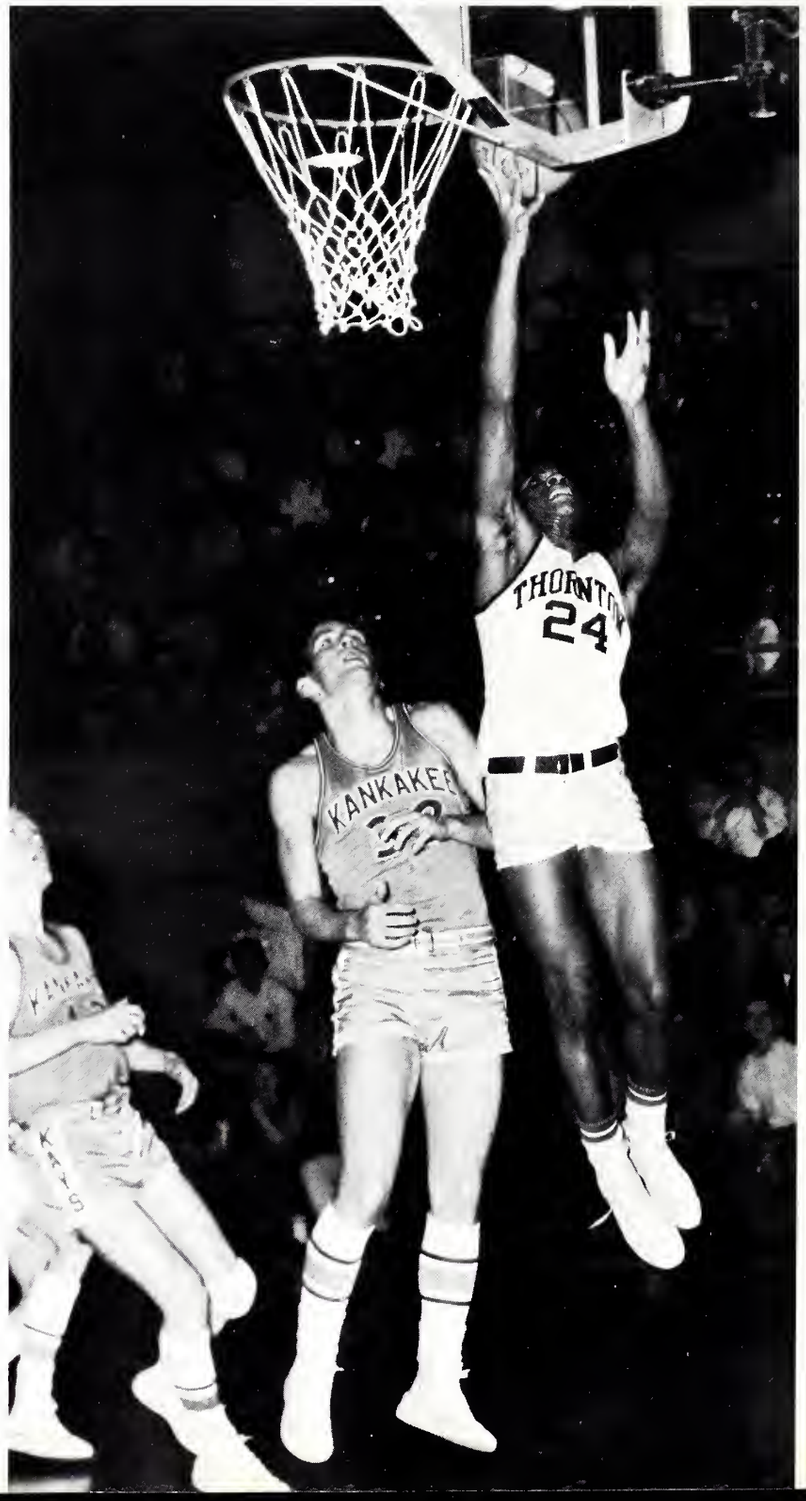
Basketball squad had exceptional team spirit

One of the most important factors of the 1963-64 basketball season was team spirit. Varsity players cooperated well during games and practices. With the guidance of Coach Bill Purden, players performed remarkably well. Frosh-Soph had a terrific season, winning nineteen games and losing only one. Freshmen, with eight wins and nine losses, had a fair season, displaying skill and teamwork. This basketball year proved to be exciting, full of spirit, and prosperous.

Bob Jackson, with an extra SURGE of power, scores in a game against Kankakee.

Coach Purden indicates STRATEGY in a chalk talk during time-out.

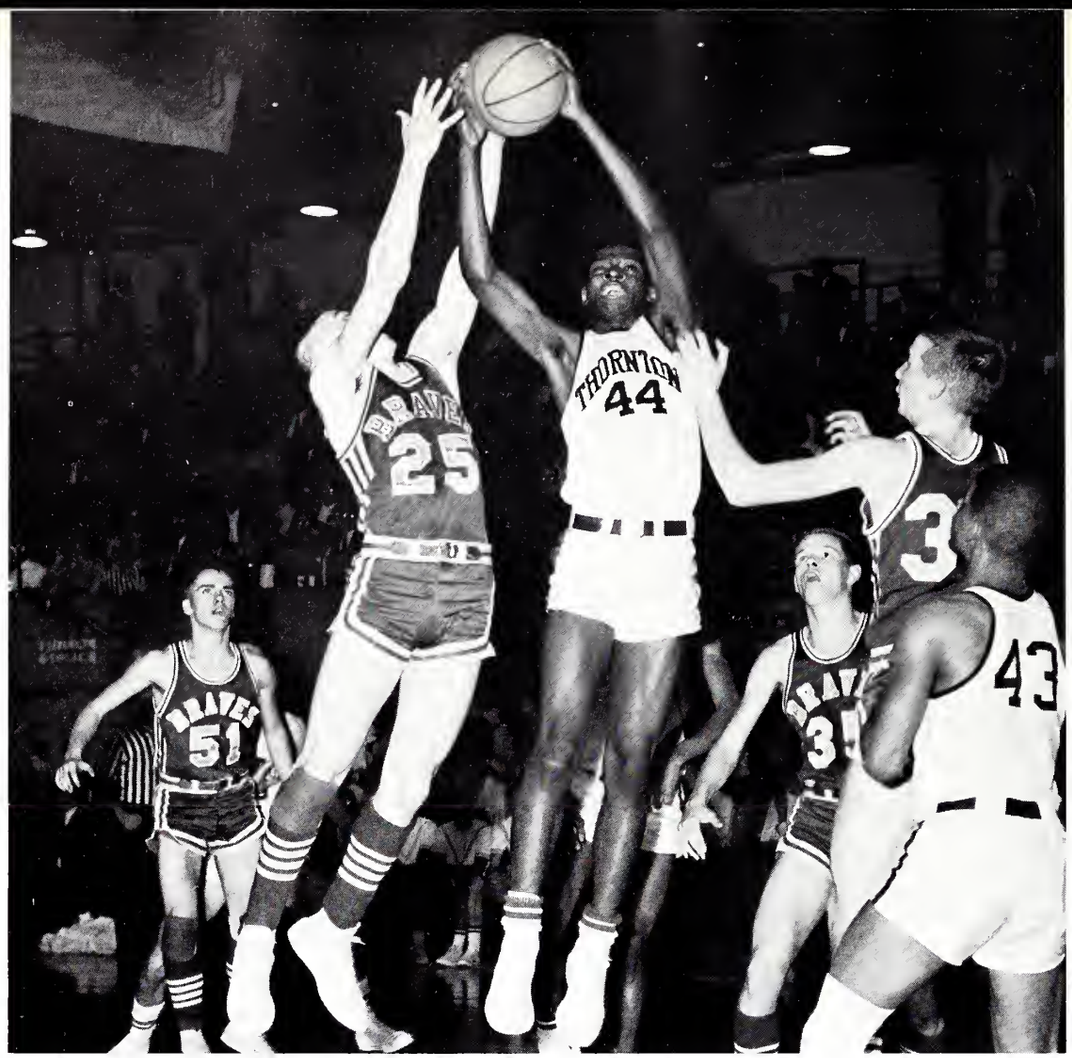
Thornton's WILDCAT, Joe Quinzi, helps arouse enthusiasm during a game.



Ken Whitted comes down with an important REBOUND in the first Regional game against Bremen.

Basketball was a very thrilling sport this year. Varsity ended the season with a 17—9 record. The tournament team for the '63-'64 round of games consisted of Emerson Bouchard, Bob Covert, Richard Halbert, Harry Hall, Bob Jackson, Vic Jackson, Bob Landowski, Paul Owens, Lamarr Thomas, and Ken Whitted. Of these ten, six will be returning to make the nucleus of next year's team. They are Halbert, Hall, Jackson, Landowski, Thomas, and Whitted.

Covert was selected for the all-conference and the all-state teams. Bob Jackson was named to the second team of the all-conference squad.



Rich Halbert leaps high to capture the ball during the REGIONAL game against Bremen.

Regional climaxed season

Thornton basketball fans had a very stimulating winter as the Varsity team won 17 and lost 9 in overall competition, had an 11—3 conference record, and took second place in the South Suburban League.

Led by Bob Covert, Bob Jackson, and Harry Hall, the Wildcats captured the Regional title, beating Bremen, Carl Sandburg, and Eisenhower. They also took second place in the Sectional Tournament, beating Joliet but losing to Bradley in the final game. Outstanding player in the Sectional was Harry Hall, who scored 23 points against Bradley.

Team co-captains this season were Bob Covert and Bob Jackson. Covert was voted most valuable player. Managers were Peter Geraci and Mark DeYoung.

Harry Hall starts to DRIVE around a Sandburg player.

Bob Covert prepares to PASS the ball as a Joliet player closes in at the Sectional.

Frosh-Soph Wildkits, coached by Robert Anderson, had a tremendous season this year. They were conference champions for the third time in a row with a record of thirteen wins and one loss. During the winter the team won a total of nineteen games and lost only one. Outstanding players were LaMarr Thomas, Garland Mays, Bob Landowski, Paul Gilliam, and Alan Nudo.

Junior Varsity had a very good season too. Tom Hanrahan coached them to a record of ten wins and three losses. Outstanding players on the J-V squad included Vic Jackson, Ken Whitted, Larry Seiner, and Dave DeRuiter. Besides helping the Varsity with some excellent players, they will make a good foundation for next year's team.

Freshman basketball team, coached by William Fink and Willie Brown, had a fair season. They compiled a record of eight wins and nine losses.

Mr. Renfrow and Mr. Vandenberg flank the team as the Wildcats take the Regional trophy for the FIFTH time in seven years.

Wrestlers make good all the way to state

Varsity wrestlers, coached by Ted Czech, had a fairly good season this year. During the '63-'64 season, the matmen had a record of seven wins and six losses. Wrestlers placed second in the conference, first in the district, and third in the sectional tournament. In the Evergreen Park meet, Thornton placed third. Seventeen wrestlers were awarded letters. Bob Swietlik was elected captain by his teammates. Top wrestler was Gregory Ray, who won first in the conference, first in the district, second in the sectional, and third in the state competition. Other outstanding performers were Gary Rainey, Sherman Adams, and Harry Frederick. Augie Jurek was manager of the team.

Frosh-Soph wrestlers had a very good season this year, winning nine meets and losing only four. After a great performance during the season, the team took third place in the conference. Coached by Dick Bruno, and managed by Charles Finlay, fourteen sophomores and seventeen freshmen were awarded letters. A few of the outstanding matmen were Melvin Hill, Clifton Owens, Donnell McDaniel, and Art Williams.

Swim squads stir up spectator interest

Varsity swim squad finished their season with a very respectable record of seven wins and five losses. They finished third in the league meet and eighth in the district. This year's captain was Ken Schiltz.

Deserving special recognition is Victor Lindsay, most valuable swimmer, who qualified for the state meet in backstroke competition. Kenneth Gest, varsity swim coach, called Vic "one of Thornton's all-time great swimmers."

Frosh-Soph swimmers, coached by John Carlson, finished their season with a record of five wins and six losses. After losing their first five meets, the team finished strong to win five of their last six. They ended second in the league meet.

Although their records were not extremely impressive, both the varsity and frosh-soph provided much enjoyment for all swim fans. The great ability and desire displayed by many of Thornton's swimmers, helped re-establish swimming as a popular minor sport at TTHS. Next year's teams should both have good seasons with many excellent swimmers returning for another year of league competition.

Gymnasts make excellent showing all season

Varsity and Frosh-Soph gymnasts had good seasons this year. Coached by Dick Foerch, nine boys qualified for state. These boys included Jerry Sparger, Don Overtoom, Ron Varner, Jim Morlan, Greg LaPointe, Dave Craft, Terry Siorek, Bob Lendi, and Ralph Whipple. All of them will return next year except Jerry Sparger and Greg LaPointe.

At the state meet Greg LaPointe took tenth place on the side-horse. Dave Craft, also on side-horse, took sixth place. Terry Siorek, on rings, took third place; and Bob Lendi, also on rings, took eighth place. For tumbling, Ralph Whipple took eighth place. Terry Siorek was the high scorer for Thornton in the state meet. Greg LaPointe, who was elected captain by his teammates, was seventh at state for the all-around performer. Ken Liehr took first place in the state meet for freshmen. Thornton's gymnasts took seventh place in the state with a total of 23 points.

For the season, Thornton had a record of fourteen wins and only two losses. With the returning gymnasts, upcoming talent, increasing participation, and sports enthusiasm, next year's season should prove profitable.

Late cold season kept baseball squads indoors

Cold and rainy weather in early spring made it impossible for the baseball team to work outdoors. The big gym was the scene of batting practice and pitching duels. Games began after yearbook deadline time so scores represent last year's season.

Varsity baseball had only moderate success in 1963. The team, coached by Bob Blaha, took second place in the conference. The record was seven wins and seven losses. Among the outstanding players were Bob Covert, Howard Humbles, Jack Watkins, Leroy Brody, and Chuck Stanfield. Jim Capolillo was captain and Robert Prete, manager. Eleven men qualified for letters.

Sophomore baseball, coached by Willie Brown, had a rather dismal season. Their record included only one win to six losses. Fourteen earned letters. William Hemphill, John Houts, and Joe Quinzi turned in excellent performances.

Freshman baseball broke even with four wins and four losses. Joe Keane was coach and Wayne Weinberg, manager. Twelve boys were awarded letters.

Track squads trekked to TR for practices

Bad weather forced track squads to have early practice in the gym. When it was possible to go outdoors, the boys went by bus each day to Thornridge. Thornton track north of the demolished Buda was being revamped for the new football field.

Varsity trackmen, coached by Frank Bauman and Bill Hayse, had a very successful 1963 season. In dual meet competition they compiled a fine record of six wins to only one loss. They entered one triangular meet, taking first.

Thornton finished fifth in the league meet, third in the district, and fifth in the state. Doug Holloway qualified for state in both 100- and 220-yard runs by capturing two district firsts. The 880-relay team of Tony Salters, Don Masterson, Marcus Richardson, and Doug Holloway also qualified for state.

Frosh-Soph trackmen, coached by Ted Czech, had a fair 1963 season, finishing with a record of five wins and three losses. They provided the 1964 varsity with several valuable performers.

At yearbook deadline time prospects for the 1964 season looked good with many trackmen returning.

RELAY record holders—Frank DeBose (880), Coach Bauman, Paul Owens and Bob Jackson (mile), Vern Mims (880).

Tennis squads both mark up good seasons

When it wasn't raining, tennis squads could use the paved courts outdoors. Frosh-Soph practiced in the south courts as usual, but the varsity had to use the city park because Buda courts were too near the demolition area of the old gym.

Varsity tennis squad, coached by Charles Moore, had a good 1963 season. The team compiled a record of ten wins and four losses. They finished fourth in the league meet and second in the district. Although the team lost three of their first six games, they finished by winning seven of the last eight.

Frosh-Soph tennis squad had an excellent 1963 season. Under the direction of Coach Bob Sutor, they compiled a fine record of eleven wins and only three losses. The team tied for second place in the league meet with nine points.

Both coaches expected good seasons in 1964. There were enough returnees and recruits for competition.

Golfers, too, were plagued with bad weather. Snow and rain kept them off the links early. In 1963 they established a record of eleven wins, four losses, and two ties. They took third in conference, first in district, and eighth in state. Award winners were Al Clements, Ray Czupek, Ron Czupek, Larry Gasik, Bill Wojtanowski, and Britt Kaur. Bill Purden was coach. Thornton beat H-F, Joliet, Rich, Sandburg, and Eisenhower once each, and Crete, Bloom, Kankakee twice.

Varsity cross-country had a poor season last fall. They compiled an unimpressive record of three wins and seven losses. The team placed fifth in conference and tenth in district.

Frosh-Soph cross-country team had a disastrous season. The team won only two meets while losing eight. They finished fifth in conference. Coach Foerch hoped for better luck the next time around.

Cheerleaders, Ushers worked at TTHS games

Without two groups of leaders, Thornton wouldn't be able to show the teams the support or give them the respect which they deserve. These two groups are the game ushers and the cheerleaders.

CHEERLEADERS are trained by Miss Bonnie Winslow. Requirements are a 3.2 grade average (including gym grades), ability, enthusiasm, voice, knowledge of sports, and personal appearance. The cheerleaders promoted school spirit, provided organized cheers, and represented the high standards of Thornton to others.

Under the direction of Mr. Pohlhammer, any boys with a C average and a good record could sign up to be GAME USHERS. They assisted the faculty and coaching staff at each home game in promoting orderliness and good sportsmanship among the fans.

Majorettes, T-Ettes entertained the fans

T-Ettes and Majorettes promoted team spirit and entertained fans at athletic events.

Under the direction of their sponsor, Miss Arlene Sabodor, T-ETTES performed at assemblies, outside events, and the variety show. They won an award in the Homecoming parade; they entertained at a Thornridge pep assembly. To become a T-Ette, a girl must show ability in the tryouts, have a C average in grades, and be cooperative.

Under the direction of Band Department, Thornton's MAJORETTES marched with the band in the half-time show at football games. In the spring they entered contests and participated in special programs. To become a Majorette, a girl must have a C average, a pleasant personality, and an ability to twirl the baton both as a soloist and as a corps member.

GIRLS ATHLETIC ASSOCIATION had the guidance of a new sponsor, Miss Martha Wetzel. Under her supervision, GAA tried to stimulate the lives of TTHS girls through participation in such activities as sports, swimming, and rhythms. These activities were available to girls on Tuesday, Wednesday, and Thursday nights after school. Awards were given for the completion of one, three, five, or nine seasons.

Officers and board held weekly meetings in the Field House. As a result of these meetings, GAA was able to sponsor two playdays, one at TTHS and one at Thornridge; two synchronized swim shows, one at Northwestern University, the other at Thornton; a Christmas tea; and a float at Homecoming.

Intramurals for boys encouraged team sports

The Intramural program, sponsored by Mr. Frank Eccles, is designed to give all boys not out for varsity athletics a chance at a recreational athletic program. Activities, held five times each week, included basketball, bowling, table tennis, and wrestling.

During September and October, there was an intramural basketball tournament. Rey-Stegmeir's combined homerooms and Hance-Harriman's combined homerooms tied for the frosh league championship. The sophomore-junior-senior league champions were made up of the combined homerooms of Younker-Herold-Eccles. Almost four hundred boys participated in this sport.

During the year Mr. Eccles was assisted by Mr. Gross, Mr. Harvey, Mr. Francis, and Mr. Nickelsen.

PEOPLE

SUPERINTENDENT. Dr. James D. Logsdon, B.Ed., M.A., Ph.D., superintendent of Thornton Township schools.

Dr. Logsdon is active on national level

Dr. James D. Logsdon is very busy as superintendent of Thornton, Thornridge, and Thornton Junior College, and he is actively interested in many educational organizations. In past years he has traveled through Europe and eastern Asia, speaking as a representative from these organizations and studying education in foreign countries.

This year Dr. Logsdon was elected as a member of the board of directors of the National Safety Council. During the year he devoted time as chairman of the Committee on Junior Colleges of the Illinois Association of School Administrators, which was busy with legislation on junior colleges. He also served on the committee that planned the convention for the National Association of Secondary School Principals.

One of the many honors that have come to Dr. Logsdon is being chosen to the twenty-member Educational Policies Commission, which is part of the National Education Association. This committee is responsible for recognizing significant educational problems and issues, studying them, and publishing suggestions concerning them. The twenty members of the group are experienced educators—men and women who represent a wide variety of educational interests and backgrounds plus leadership in their fields.

Neither is Dr. Logsdon a novice at writing, for he has published two books and is co-author of a third. He has had an article published recently in the English Journal on the Social Studies program in the United States.

With his wide range of activities, Dr. Logsdon has not slighted his main job as superintendent of Thornton's schools. For this reason all Thorntonites are extremely proud of Dr. Logsdon. He is much sought after as an assembly and pep session speaker.

BUSINESS MANAGER. Mr. J. A. Peterson, B.A., M.S., business manager, secretary of the Board of Education.

COUNSEL. Mr. Burton Evans, school attorney; Mr. A. F. Waldschmidt, township treasurer.

Board, Counsel work on school projects

Thornton's BOARD OF EDUCATION is made up of seven members who are devoted to the school and give unselfishly of their time and effort to its betterment. Revision of policies, working with the faculty to make out schedules, and using their influence to see that important bond issues are passed are a few of their duties. Mr. Burton Evans, board lawyer, gives legal assistance. Mr. A. F. Waldschmidt, township treasurer, gives advice on finances.

With construction under way at Thornton and Thornridge, many supplies are to be bought and bills to be paid. The man who sees that these matters are taken care of is the business manager, Mr. John A. Peterson. Mr. Peterson and his staff process payment of all bills and buy supplies for the various departments. He balances a budget for each school year and projects income and costs for the future. Salary checks come through his office.

BOARD OF EDUCATION. James T. Ozment, Willis S. Gouwens, Robert H. Reese, Henry Vandenberg *(standing)*, president, Herbert G. Greiner, Louis Boudreau, Mrs. Robert Pebworth.

Deans helped with student problems

DEAN OF GIRLS
Mrs. Dixie Turngren, B.Ed.

Following the retirement of Miss Helene Wilson, Thornton girls acquired a new dean this year, Mrs. Dixie Turngren. Mrs. Turngren taught at Thornton previously but had a leave of absence for study at Purdue University. As dean she handles serious disciplinary problems, counsels Thornton girls, and sponsors the Girls Club with its many activities.

Mr. Mel DeGraff, dean of boys, is a Thornton grad who was first a teacher and swim coach at TTHS and now a full-time dean. He is responsible for the welfare and discipline of boys at Thornton. He is adviser to the Hall Guard Organization and sponsor of the Boys Club. He is always willing to help any boy who wants or needs his guidance or counseling.

DEAN OF BOYS
Mel DeGraff, B.S., M.A.

Mr. Omer Renfrow, as principal of TTHS, formulates ideas on improving the school and sees that these ideas are carried out. He works closely with faculty groups as well as student organizations like KIP, Purple X, Boys Club, and Girls Club. As he says, "I like people and I welcome the challenge that all of us share at Thornton, students and faculty alike."

Mr. Carl Beier, college counselor, helps students secure information on the schools of their choice and on scholarship possibilities. He often visits colleges to talk to admissions officers and TTHS alumni.

Mr. G. R. Valbert is assistant principal in charge of administrative matters. Biggest job this year was setting up programming procedures on the new IBM machines. Bus routes, teacher substitutes, daily bulletins and school calendar are his field, too.

Class counselors had full-time assistants

Assistant counselors in all four classes were new to the Thornton administrative set-up this year. Increasing enrollments made additional counselors a must if all the class were to be served.

Mr. Willie Brown assisted Mr. Hightower, senior counselor, in helping the Class of '64 along its sometimes rough road to graduation. Mr. Burleson assisted Mrs. Harms by working with half of the juniors. Mr. Anderson helped Miss Gray with sophomores. Orienting the freshmen to life at TTHS was the job Mr. Arthur Harms undertook when he assisted Mr. Lercher with the largest class in school.

ASSISTANT COUNSELORS
Arthur H. Harms, Freshmen; Robert E. Anderson, Sophomores.

Mr. Toby Hightower, senior class counselor and co-sponsor of National Honor Society and the Human Relations group, was kept busy by helping seniors with their social and educational problems. Adjusting programs because of errors in the new machine set-up was one of the first jobs.

End-of-the-year activities were a major responsibility. Caps and gowns, diplomas, graduation announcements, and commencement details kept him humping and sometimes brought headaches. Honors Day concerned his class more than any of the others.

Mrs. Ruth Harms, as counselor for the juniors, shared problems connected with Honors Day and Commencement. National Honor Society elections were a joint project with the senior counselor and so were arrangements for the Prom. Checking credits and warning their classes of deficiencies were so important in the last two years of high school.

With the help of homeroom teachers, program cards for the next year were made out for all classes except the seniors. Incoming freshmen were handled through the grade schools with an orientation session at TTHS before school began. Mr. Lercher, freshman counselor, and his assistant were in charge. Effort was made by both the freshman and sophomore counselors to get acquainted with all their students, not just the disciplinary cases. Miss Gray, sophomore counselor, averaged about twenty such interviews a day. Conferences with parents on problems of their sons and daughters were numerous.

Orienting first-year students to Thornton was the big project of freshman counselors. Sponsoring eighth-grade tours of TTHS was one way of doing it. Those came in the spring. Adjusting to life at Thornton, in the fall, was given a big boost by the cooperating Social Studies I classes and English classes.

Principal's Advisory Committee, headed by Mr. Renfrow, meets four or five times a year. Each department is represented but none of the members are heads of departments. The committee acts as a discussion group for school situations which need adjusting or correcting and provides a closer relationship between administration and faculty. All sorts of problems come up for review.

Department Chairmen are the most important single group in the high school in terms of development and maintenance of academic progress at the highest possible level. Curriculum revisions and academic standards in line with current educational trends are their business. They review courses of study, testing programs, marking and reporting systems. This group, an appointed one, has monthly meetings.

Faculty, Parent groups help with school business

Purpose of the Parent-Teacher Association is to get parents and teachers better acquainted with each other and to create mutual understanding of school problems. The P-TA provides scholarship funds for students needing money for college and acts as a public relations medium between school and community. Important talks and panel discussions were among the highlights at their monthly meetings.

Faculty Association met four times a year to discuss and to decide upon matters of teacher welfare. Social affairs were a faculty picnic, a tea for retiring teachers, and installation of new officers at the banquet. A tea for students who belonged to Future Teachers of America was another project. Representatives attended each Board of Education meeting and a committee published the faculty news.

One of the biggest changes in Thornton's system of record-keeping has taken place in the Registrar's office. Here are to be found the new IBM machines used in the compiling of student report cards, programs, and honor roll ratings. Permanent records such as grades, attendance, personality ratings, and credits are kept on file here.

Center of activity, however, is the Main Office. The telephone switchboard, ditto and mimeograph machines, and faculty mailboxes are the source of business for this office. Daily delivery of attendance sheets and the posting of incoming and outgoing mails originate from here.

Miss Dora Harthun, secretary to Dr. Logsdon, is located next to the Main Office. On the second floor is the office of Mr. Renfrow's secretary, Mrs. Marian Gorman.

A handy place for faculty to cash their personal checks is Thornton's Business Office. Here, also, pay checks for all Thornton personnel and the bookkeeping for clubs are handled.

BUILDINGS and GROUNDS. Mrs. Irene Williams, secretary; Howard Doster, superintendent.

Construction added to maintenance problems

Maintenance men, who keep Thornton in good repair, are under the supervision of Mr. Howard Doster, superintendent of buildings and grounds for both Thornton and Thornridge. He is assisted by his secretary, Mrs. Irene Williams. Mr. Doster and his staff have been very busy with the erecting of a new field house, new football and practice fields, development of newly purchased land, and the addition of classrooms and P.E. facilities.

Cafeteria staff, under the supervision of Miss Florence Waterman, has been serving a record number of students this year and a more varied menu. One reason for this improvement is the hard working staff. The other reason is the remodeled and expanded kitchen and dining facilities. There is a completely new and well-arranged kitchen with large walk-in refrigerators, modern stoves, efficient dishwashers, and extra-large deep freezers.

Seniors began final year with mixed emotions

All of a sudden, seniors began to realize that graduation was almost here. Some jumped the gun a bit and thought that good first-quarter grades would take care of the rest of the year. They had to be brought up short. Others started working frantically to make up for lost time. Some made a good enough recovery to get to the finish line. Those who didn't, dropped out, went to summer school, or came back in the fall.

The great majority, however, finished with credits enough or to spare, with records of good citizenship, and with a sizeable list of activities to be proud of. Their permanent records in the office looked good.

Mr. Renfrow talks at Commencement.

Big thrill on Honors Day came when seniors saw their parents at the assembly and guessed that their names were on the list of National Honor Society. When their hopes were confirmed, they walked in a daze up to the platform. The oath, the pin, and the special tassel for their Commencement caps were things long to be treasured. The reception after the assembly, with their parents as guests, too, was a happy affair.

Juniors were also eligible for NHS membership. Early election gave them a chance to wear their pins all next year and to join in the society projects. They had earned for themselves a truly enviable place in Thornton affairs.

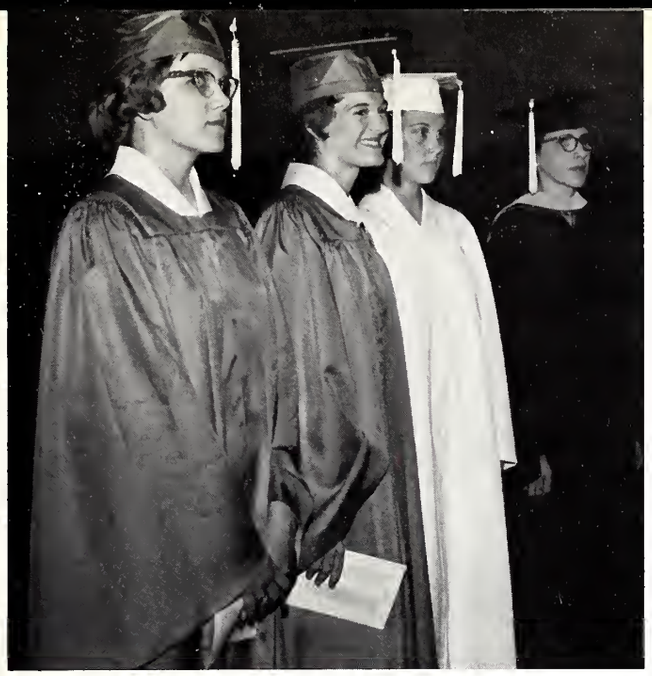
Grads of '63 joined ranks of high scholars

Mary Jane Celebucki receives CONGRATULATIONS from her friends.

Election to National Honor Society is the highest honor Thornton students can attain. Both juniors and seniors are eligible. Scholastically they must be in the upper twenty-five percent of the class. Membership is limited to fifteen percent of the graduating class, a third of whom may be selected in their junior year. Besides scholarship, their election depends upon leadership, character, and service. Faculty members vote from a list of eligible students furnished by the registrar's office.

Money-making projects are necessary to finance the official pins and tassels as well as the annual reception after the Honors Day assembly. Sale of paperback books has been the most popular.

Graduation ushers and guides are another scholarship group. Ushers, who serve at Honors Day and Commencement, are the top-ranking juniors. Guides, who march in the processional and show the seniors to their seats, are the two top-ranking junior girls.



USHERING the seniors was a task to be proud of—Joanne Levolis, Lisl Peterson, Ann Kirkeeng, Mrs. Tillery.

Under the leadership of Mr. Hightower and Mr. Brown the class officers and members have been very active. Plans for their Homecoming float and for the Homecoming dance kept seniors busy during the fall.

There was a College Night open house for any class members interested in meeting representatives from the colleges of their choice.

When it came time to put in the order for Commencement announcements, graduation suddenly became very real. Measurements for caps and gowns made the reality even more forceful.

Senators elected from each homeroom met with the counselors to discuss plans for the Prom. Committees from both junior and senior classes worked out the details.

Placement of seniors in the line of march for Flag Day, Honors Day, and Commencement was by official list but rehearsal was necessary for smooth operation.

Shelby Steele, KIP president, MC's at Homecoming pep session.

SENIOR Class float predicts outcome of Homecoming game.

GIRLS CHOIR chose "Who's Sorry Now" as the song title for their parade float.

YOUTH FOR CHRIST club motorized the horses for their chariot.

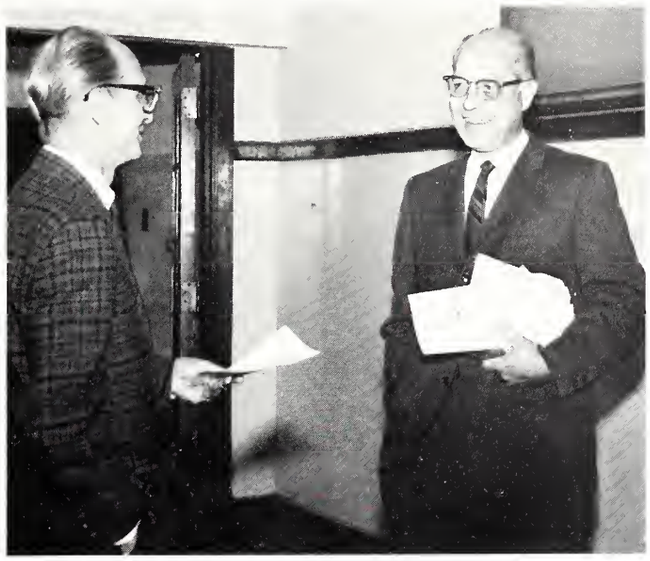
Homecoming dance entertainment featured a QUARTET— Jerry Sparger, Rick Noetzel, Gary Wyngarden, Lester Munson.

All sorts of activity kept Thorntonites busy

Alan Leonas examines his PICTURES after buying them at the yearbook office (Old Bookstore).

COFFEE HOUR was popular at after-school meetings— Mrs. Godwin, Mrs. Lifvendahl, Miss Brushfield, Mr. Liehr, Mr. Harvey, and Miss Gray.

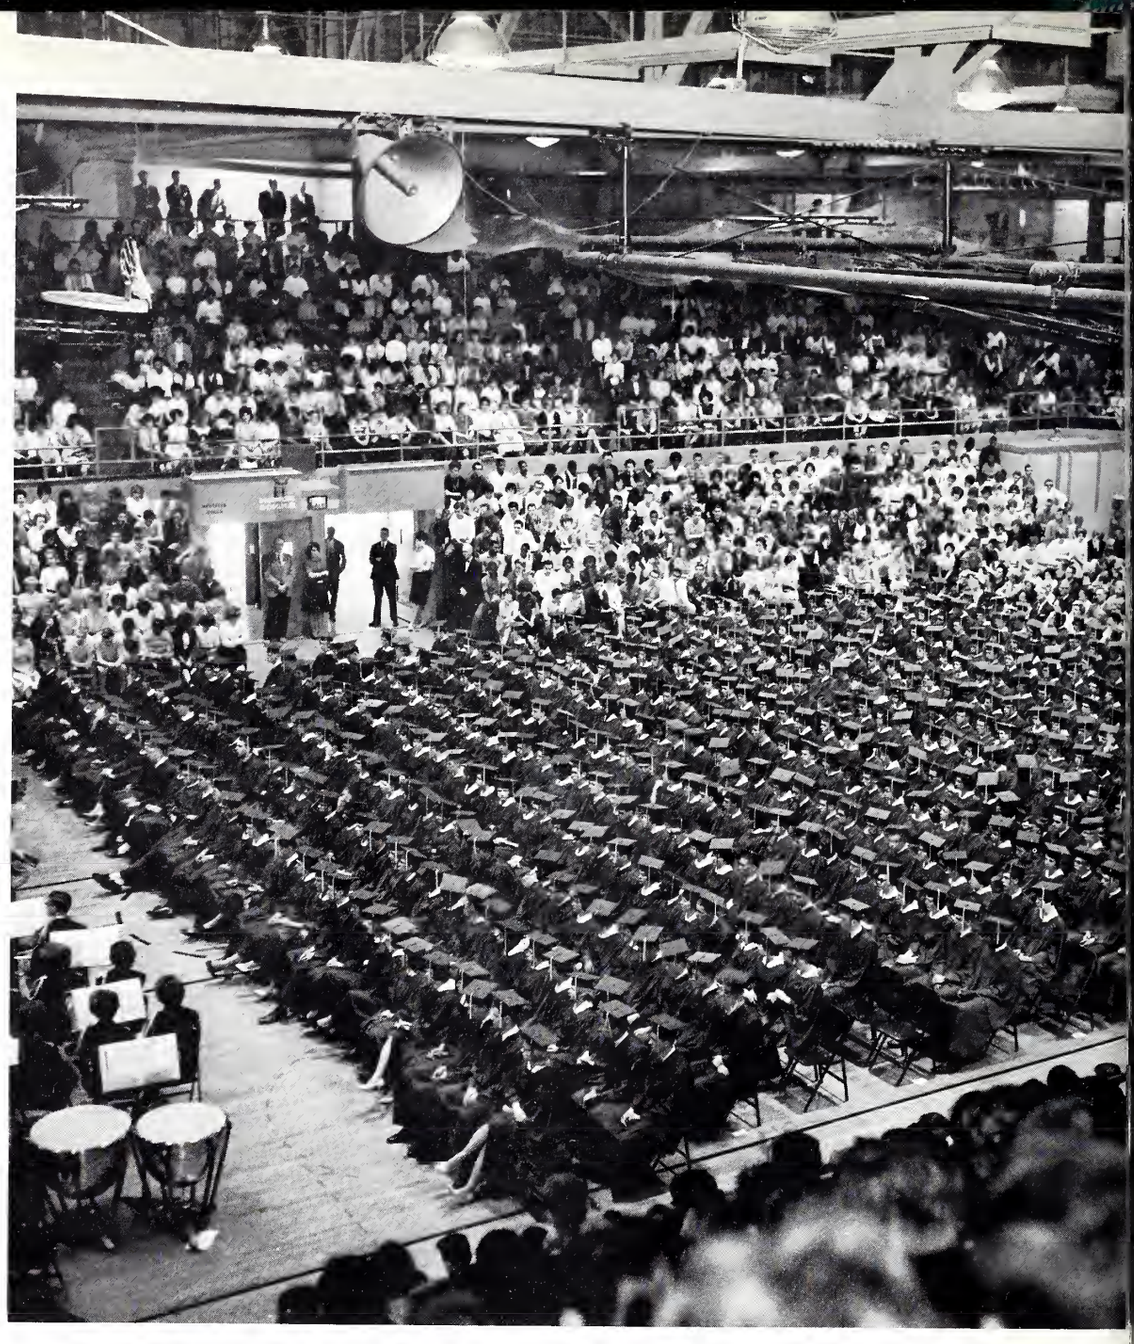
Jim Brandon and Fred Malito use the presses in the PRINT SHOP on a school job.



Mr. Armbruster and Mr. Hopkins take time out for a CORRIDOR CONFERENCE on Music Department matters.

In their new office, Boys Club BOARD have a working session with Mr. DeGraff, their sponsor.

. . "Whew! that's over!" —says Miss Gray after Commencement.

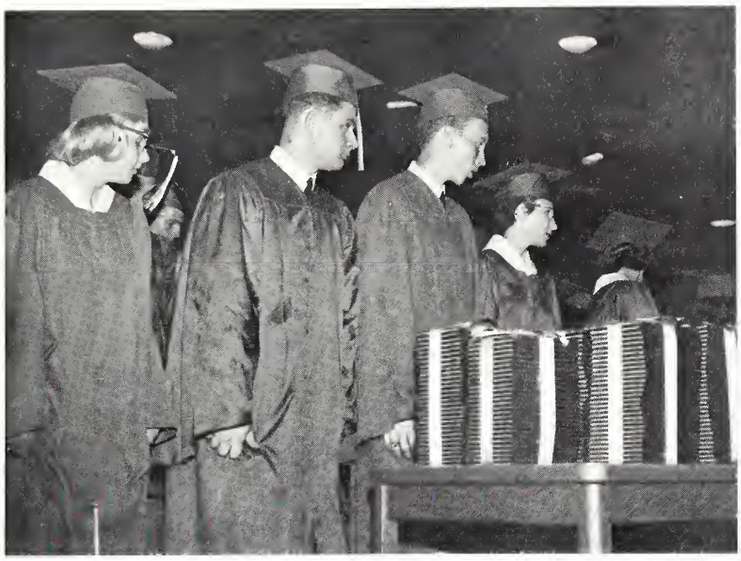


HONORS DAY assembly is one of Thornton's most impressive traditions.

The thrill of Honors Day, especially for those whose names were read on the National Honor Society list was a moment to remember. The walk up to the platform, with the eyes of everyone focused on him, was enough to make any senior's knees wobbly, but no one fell down. The satisfaction at Commencement of getting that hard-earned diploma was tremendous.

After the ceremonies were over and the recessional had left the gym, there was a mad rush to the auditorium to turn in caps and gowns. The solemnity was over. Thoughts of vacation or jobs were all that mattered. This was THE END of life at Thornton for seniors and start of a new career.

Solemnity and gayety mark end of school year for seniors



The stacks of DIPLOMAS made seniors realize their high-school career was over.

The PROM, a few weeks before, had been a very gala affair in this same gym.

Staff thanks its many helpers . . .

Mr. E. C. Hackleman for his technical help; Mr. Ralph Van Dyke for layouts and art work; American Yearbook Company, our printers; Mr. Bill Snell and the S. K. Smith Company for covers; the Root Photographers (especially Mr. Dohmke, Mr. Roche, Mrs. Brooks, and Mr. Pat Cornejo) for the pictures; the TTHS board of education, administration, faculty, staff, and student body, who made the book possible.

. . . and is glad the book is out

We had fun and a lot of work doing this book. We hope you like it. We are the staff—Nancy Barry, Karen Chick, Bill Himel, Jackie Kamphenkel, Judy Krachey, Bob McGehee, Diane Mulawka, Marlyn Olsen, Carol Parkes, Iris Scrutchions, Kathy Smith, Valerie Stepek, Karen Wilker, and the adviser, Miss Dorothy Washburn.
